Quarantine Report.
 Following is the report of C. O. Breach, quarantine officer, for today:

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.
 Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, blackheads, in most cases give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.
 The E. W. Ross Co., Cleveland, O.

Hitler Sends Helmet.
 A German helmet arrived Saturday Umatilla County Red Cross office, sent by Roy Ritner, Captain A. R. C. The helmet, which shows wear, was sent unwrapped with the address pasted upon the metal. SALTS IF BACKACHY AND KIDNEYS HURT
STOP EATING MEAT FOR A WHILE IF YOUR BLADDER IS TROUBLING YOU.
 When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and 'luggish'. When your kidneys get sluggish and clog you must relieve them. Like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water needs at you are obliged to seek relief two or three times during the night.
 Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Lad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.
 Lad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

inches, November 4. The number of days on which there was 40 or more precipitation was seven. It was clear seven days, partly cloudy 10 days and cloudy 13 days. A heavy frost fell November 8. Miss Hesslop is the grand daughter of Rev. Lovelidge for many years pastor of the Episcopal church in Eugene.

He was born in Missouri in 1851 and came to Oregon in 1878, settling in Umatilla county.  He is survived by his wife, Mrs. Carrie L. Ferguson; one son, Roy R. Ferguson of Adams; one daughter, Mrs. Fred L. Hartman, of Portland; three sisters, Mrs. Ellen Louisa of Walls, Wallowa; Mrs. Emma Leasing of Lapwai, Idaho, and Mrs. Mary L. Peenick, of Portland; also one brother W. H. The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire.
 There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.
 The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, 21 Swift Laboratory, Atlanta, Ga.
