### WOMAN'S DEVOTION TO HOME.

Home duties to many women appear more important than health. No matter how ill they feel, they drag themselves through their daily tasks, and pay the penalty in headaches, backache, dragging-down pains, and nervousness; they become irritable, and finally discover that some form of female complaint has fastened itself upon them. When a woman gets into this condition there is one tried and true remedy made from the roots and herbs of the field. Lydia E. Pinkham's Vegetable Compound, which for more than forty years has continued to do great work among women in restoring health after many other remedies have failed.

**15 CENTS WILL CARE FOR BELGIAN BABY**

Who wants to spend 15 cents and thus support a Belgian baby for one day?  
Pendleton people are to be given an opportunity to answer this question soon when Christmas cards, at 15 cents each, are to be sold at special sale stands under the auspices of the Belgian relief committee of the Women's Division of the Patriotic Service League.  
The cards show a heavily embossed design of the Dolls' Robin Lambino, with the words "Peace on Earth, Good Will Toward Men," while on the reverse side a few words explain that the card was bought for the benefit of the relief fund.  
Mrs. Roy T. Bishop is chairman of the committee, and hopes to sell 500 cards, but if the sale is a success she will put more of them on sale.

**THE WEATHER FORECAST**

Tonight and Thursday rain or snow.

**FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR**

SAVE YOUR HAIR! MAKE IT THICK, WAVY AND BEAUTIFUL—TRY THIS.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair comes out fast. A little Dandruff tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Dandruff from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and brilliance which is so beautiful. It will become wavy and flaky and have the appearance of abundance, an incomparable gloss and softness but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

**GLASS APPOINTMENT THOT SURE.**

NEW YORK, Dec. 4.—The appointment of Carter Glass, Virginia congressman, as successor to McAdoo, is regarded as a certainty. This is the view expressed in statements of members of the presidential party before sailing. Glass has been asked to take the job but he refused to say whether he would accept if appointed.
