Few Escape.

There are few indeed who escape having at least one cold during the winter months, and they are fortunate who have but one and get through with it quickly and without any serious consequences. Take Chamberlain's Cough Remedy and observe the directions with each bottle, and you are likely to be one of the few of this remedy has been fully proven. There are many families who have always used it for years when troubled with a cough or cold, and with the very best results.

Stomach Trouble.

"Before I used Chamberlain's Tablets I doctored a great deal for stomach trouble and felt nervous and tired all the time. These tablets helped me from the first, and inside of a week's time I had improved in every way," writes Mrs. L. A. Drinkard, Jefferson City, Mo.

Mrs. Isley's Letter.

In a recent letter Mrs. D. W. Isley of Litchfield, Ill., says, "I have used Chamberlain's Tablets for disorders of the stomach and as a laxative, and have found them a quick and sure relief." If you are troubled with indigestion or constipation these tablets will do you good."

TO BE WORN "WHEN HE COMES HOME"

This is the newest creation of Lady Duff Gordon, the titled English woman who is the village dressmaker to New York ladies of wealth and fashion. When He Comes Home Lady Duff Gordon suggests that we all dress up in black Pussy Willow satin and black Chantilly lace, with underbodies and drapery facings of American Beauty satin. Here is a "face front" of the gown.

EX-KAISER WOULD LIKE TO GIVE VISITS TO FRIENDS IN U. S.

(Copyright 1918 by the United Press) AMSTERDAM, Dec. 2.—Count Wilhelm Hohenzollern, former kaiser, informed the United Press, through his secretary, that he would be glad to give his views to the people of America, "where he has some friends still," if it were not for the fact that he has retired to private life. In reply to a formal request for an interview, Wilhelm's secretary sent a telegram to the correspondent: "I beg to inform you that the emperor, having retired to private life, does not wish to give a statement for publication. He expresses

his regret for he would be glad to give his views to the American public, where he has some friends still. But under the circumstances he cannot depart from the rule."

ASSAIL TAX REPORT

WASHINGTON, Dec. 3.—Republican members of the senate finance committee are preparing a minority report on the six billion tax bill. They will assail the inclusion of 1920 taxes in the measure. Minority leaders said they would stand by it. The belief is growing that revenue legislation in this session is impossible.

WOULD GOVERN MANUFACTURERS.

WASHINGTON, Dec. 3.—Legislation compelling manufacturers who desire to fix and maintain prices, to submit their requests to a governmental agency was recommended to con-

gress in a special report of the federal trade commission today. This agency would have the power of considering claims, deciding upon the merits of prices the producers asked. The supreme court has ruled the present methods of establishing, maintaining resale prices are in restraint of trade.

THE FRANKLIN CAR

Here are Two Good Reasons For Choosing It.

The first reason is: because it delivers, day in and day out,

20 miles to the gallon of gasoline—instead of the usual 10.

The second reason, equally forceful, is: because it delivers,

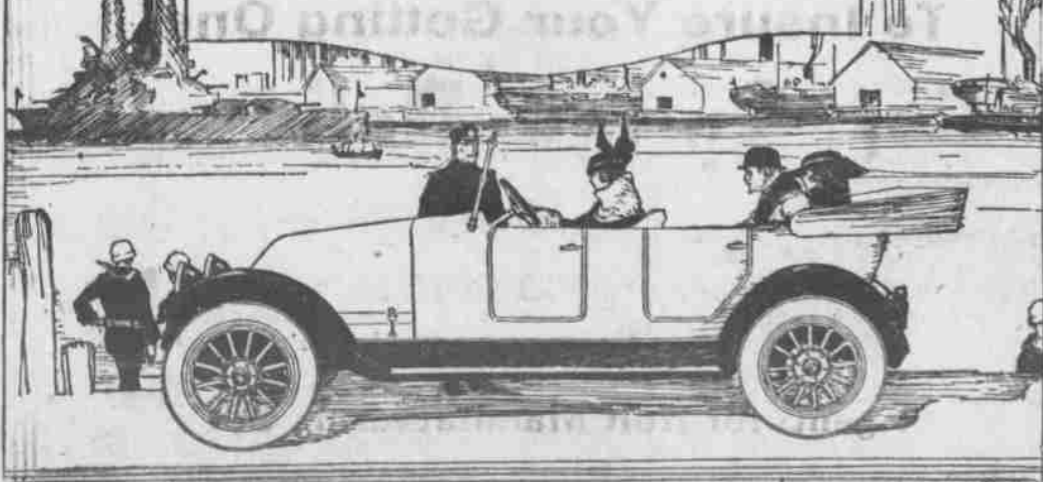

10,000 miles to the set of tires—instead of the usual 5,000.

There is no longer any excuse for owning a wasteful motor car. Franklin Light Weight has put heavy cumbersome construction into the discard, and brings about the needed economy of gasoline and tires.

And, in the Franklin, you will find that economical operation is only one of the different things. With it go riding comforts such as you have never experienced before, an ease of handling that leaves you free from strain, and a Direct Air Cooling system that eliminates, entirely the many summer and winter troubles common to water-cooled cars.

May we bring a car around for demonstration?
