GRAY HAIR BECOMES DARK AND BEAUTIFUL

TRY GRANDMOTHER'S OLD FA-VOIGTE RECIPE OF SAGE TEA AND SUBPHUR.

Almost everyone knows that Sags Ten and Sulphur, properly compound-ed, brings back the natural color and flustre to the hair when faded, streaked or gray. Years ago the onway to get this mixture was to make

Nowadays we simply not at any drag store for "Westh's Sage and Sulphur Compound." You will get a large bottle of this obl-time resip-ingreed by the addition of other in-tredients at very little cost. Poors-hody uses this preparation now, be-cause, no one can reasibly tell that you darkered your heir as it does it so-raturally and evenly. You damped a sporge or not trush with it and draw this through your hair, taking one it isl strand at a time, by more-ing the gray hair disappears, and af-or another apple atten or two, your falls becomes beautifully dark, thick and cassy and you look years young-er.
