Time Brings Happiness With The Dawn

The Coming of Baby Marks the Advent of a Glorious Future.

Scientists say great stress should be laid upon the remarkable influence which the mother's happy pre-natal disposition has upon the health and future of the generations to come.

There is a splendid preparation women for over half a century have applied before the arrival, known as **Mother's Friend**. This is a most grateful, penetrating remedy that at once softens and soothes the myriads of blood, fat abdominal muscles under the skin of the abdomen. By its use, the blood and general circulation is improved and cords are relaxed and there is an absence of nausea, bearing-down pains, strain and general discomfort, more often than otherwise experienced when nature is unaided.

The use of **Mother's Friend** night and morning relaxes the muscles with ease when baby comes, the time at which is shorter and pain and danger is thereby avoided. Write the **Bradfield Regulator Company**, Dept. E, Lancaster Building, Atlanta, Georgia, for their **Mother's Friend**, and obtain a bottle of **Mother's Friend** from the druggist, by all means, and get into condition to meet the crisis.

A grand review in Paris of the democratic armies would be an epochal sight, but how long would it take 12,000,000 men to pass a given point, especially if the given point could not go more than a week without sleep.

ASK GRANDMA ABOUT VEGETABLE TEA FOR CONSTIPATION

Liver and bowel remedies come and go, but Dr. Carter's K. and B. Tea, which your grandmother knew all about, is now more popular than ever.

Many families have used this tea for years, brewing it at home, and find it the best and least expensive remedy they can get.

Your pharmacist will sell you a small package, which will last a long time.

It's a splendid drink for constipation, acts surely and gently, and for a sluggish liver, sick headache, salivary gland distress, many thousands of women use it. Speedy and bilious relief is guaranteed to all who drink Dr. Carter's K. and B. Tea, and don't forget that it's simply fine for children.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach, instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

Hogs Hitting \$17 In Portland Market; Cattle Move Better

PORTLAND, Dec. 6.—The market showed extreme strength at the opening of the day (trade at North Portland). With a run of fat 225 head, a mere handful when the demand is anywhere near good, the market price quickly advanced to \$17.00. One "topper" head went at that value early in the day.

A year ago top hogs sold in the North Portland yards at \$16 with tops two years ago at \$9.75.

General hog range:
Prime mixed \$13.00-17.00
Medium mixed 10.50-16.85
Rough heavies 14.50-14.85
Pigs 14.00-15.00
Bulk 17.00

Cattle Moving Better.
While price changes were of small proportions, if any at all, were made in the market for cattle at North Portland was showing better character from the start of the day's trading. Run of cattle was small for the day. Killers suddenly appeared to want supplies, everyone seeming to be of the same mind at the same instant. Result was that the limited offerings were quickly snapped up.

A year ago top steers were listed at \$10, 1905 years ago at \$7.25.

General cattle range:
Prime steers \$11.50-12.00
Good to choice steers 10.50-11.50
Medium to good steers 8.50-10.50
Fair to medium steers 8.00-9.00
Common to fair steers 5.50-7.50
Choice cows and heifers 7.75-8.00
Medium to good cows and heifers 6.00-7.00
Fair to medium cows and heifers 5.00-7.00
Canners 2.00-4.00
Bulls 5.00-7.00
Calves 9.00-12.00
Stockers and feeders 6.00-9.00

No Mutton for Market.
No supply at all reached the mutton alleys at North Portland over night.

Trend of the trade appeared to be about the same as recently listed, the demand being good around former price.

A year ago top lambs were quoted at \$13.50 and two years ago at \$9.25.

General sheep and lamb range:
Prime lambs \$11.50-12.75
Stockers and feeders 6.00-8.00
Fair to medium lambs 8.50-10.50
Yearlings 10.00-11.00
Wethers 9.00-10.00

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids of calomel. They take hold of the trouble and quickly correct it. Why Calomel sometimes plays havoc with the stomach. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "luggish" and "heavy." Note how they "clear clouded" brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

SAGE TEA AND SULPHUR DARKEN SO NATURALLY THAT NOBODY CAN TELL.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.
