## GEORGE WASHINGTON DOCKS FRIDAY, THE 13

BY FRED FERGUSON

BY FRED FERGUSON (United Frees Staff Correspondent.)

RREST Dec 12.—The George Washington bearing President Wilson and his party, was 600 inlies from Frest when last reported by wireless at midnight. The big steamer is making only 15 knots owing to heavy seas, but is expected to arrive on schedule Friday afternoon, as a result of its shortened course. The present weather is anything but fitted for a celebration, but Friday falls on the 13th, the president's lucky number, and Americans here are beiting it will clear up. According to present plans, Wilson will come ashore between 1 and 2 o'clock tomorrow afternoon. A delegation of social ists will greet him when he lands. Previously, he will be welcomed abourd by French officials. Colonel House, Generals Persing and Blies, Admirals Benson, Wilsonand Margaret. Wilson will accompany this party. His official welcome will be in the hands of the pany this party. His official welcome will be in the hands of the French government.

French government.

Nine French cruisers, four destrovers and many American war vassels will anchor in double like. The George Washington will proceed down the lane between the warships, receiving the presidential salute of 21 guns from Niemph craft. The liner will then sucher at the head of the column will the warships pass in review. There will be a trief ceramony when President Wilson chans ashore. After this, the party will drive directly to the rallway entraining for Park. The entire roots to the station will be lined with American soldiers. A company of politic will act as a guard of honor.
