INDIAN WAR VETERAN TO BE BURIED HERE

Death claimed another Umatilla county pioneer when Mose H. Thompson, aged 77 years, passed away December 28th at the Soldiers' Home in Roseburg. Deceased was an early day farmer in Umatilla county arriving at Adams in 1877, where he engaged in farming. The last few years of his life he has spent at the Soldiers' Home at Santa Monica, California and Roseburg. His last visit to Pendleton was made last summer.

Deceased was born in Rhea county, Tennessee, January 11, 1841. When he was two years of age his parents moved to Johnson county, Missouri, where he was living at the time of the outbreak of the Civil war. He enlisted in 1861 and served with the Missouri Mounted Home Guards, the 2nd Nebraska Volunteer Cavalry and Co. E, 12th Kansas Infantry.

Soon after the war he came west during the gold excitement by way of the Black Hills. Here he was engaged in several Indian fights, including the battle of Oregon in 1877 and served through the Indian uprising in 1878. He was 1st sergeant of Company B, 2nd Oregon in the early days. Mr. Thompson served as sheriff and assessor of Umatilla county at different times. He was a charter member of Kii Caron Post G. A. R. being its Commander at one time.

The deceased is survived by two sisters, Mrs. Mahula Mason of Oklahoma, and Mrs. Mary Epple of Portland, Oregon, and a niece, Mrs. Margaret S. Coleworthy of Pendleton. The body arrived this morning and is at Folson's parlors. The funeral will be held tomorrow afternoon at 2 o'clock from Folson's chapel and will be under the auspices of the local G. A. R. Interment will be made in city cemetery.

WRITTEN FOR WORLD LEAGUE

Congressman Introduces Resolution for Versailles Meeting.

WASHINGTON, Dec. 31.—A resolution requesting the world peace conference at Versailles to create at the earliest practicable moment "a league of nations that will establish an enduring world peace" was introduced in the house by Representative Fred A. Britten of Chicago. Taking issue with the statement that the league of nations plan does not accord with the sentiments of the American people, Mr. Britten said:

"All America stands practically solid behind the president for an international league which will insure the free use of the seas to great and small nations alike, and which alone can prevent the threatened spread of Bolshevism and anarchy."

"Every German battleship, cruiser, destroyer and submarine should fly a flag to be adopted by the league and form the nucleus of a world navy for patrol duty on the high seas."

MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

IF CROSS, FEVERISH, SICK, ILLIOUS, CLEAN LITTLE LIVER AND BOWELS

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, Mother! If coated or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of California Syrup of Figs, then don't worry because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well-playful child again. A thorough "inside cleaning" is obvious all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of California Syrup of Figs, which has full directions for babies, children of all ages and for grownups plainly printed on the bottle. Look carefully and see that it is made by the "Waltham Fig Syrup Company."
