### COUNTY BONDING FOR

(Continued from page 1.)

following excerpts from remarks by those present show the trend of sentiment.

**ADAMS**—J. T. Lichten: "I am for good roads and for the bond issue."

**Jesse Hales**—"I am in favor of this plan and for constructing roads on a water grade. I want to see some good roads during my lifetime."

**ATHENA**—Henry Barrett: "I think my section will be favorable to the bond plan and that the plan as outlined is a good one."

**Mr. Berlin**—"I approve what Mr. Barrett said. When I drive I like to go right along. We must have good roads and I suppose the bond issue is the only way we can get them."

**For Cold Springs Road.**

**COLUMBIA DISTRICT** (on Umatilla project)—**Frank Waugaman**: "Our people are for county bonding; I think that \$150,000 for the Cold Springs road is not enough. It believes more money should be assigned for that road. W. L. Blessing of Columbia, spoke along the same lines as Mr. Waugaman."

**ECHO**—Fred T. George: "I am for good roads and for this bond issue, first last and all the time. We must work the plan out along lines for the general good and no section should act too selfishly."

**As Necessary as Homes.**

**Joseph Cunha**—"Good roads are just as necessary as good homes. I believe the people of the west end are for this plan and will support the county court."

**FRESHWATER**—J. V. Saylor: "I am like Mr. George. I am for the bond issue. In the last two years the number of autos has increased in my section and likewise the sentiment for good roads."

**Mr. Murray**—"By hard work I think the bond issue can be carried in the east end of the county."

**HELIX**—Carl Engdahl: "I think the people of Helix will stand by the move."

**ROY PENLAND**—"I am for the bond issue; what guarantee is there that each section will get the work that is promised?" Judge Marsh explained in reply that the exact amount each section is to get must be specified in the bonding bill when submitted to the people and that the guarantee is absolute that each section will get the work promised it.

**HOLDMAN**—R. O. Earnhart: "I don't know just how I will stand. I have not talked it over much but do not want to say I am against it. It is the right thing." Later Mr. Earnhart indulged further in the discussion and joined in urging a larger sum than was originally intended for the Cold Springs road.

**West End Wants Roads.**

**HEMINGTON**—J. T. Hinkle: "Our section of the county will be unamously for a road plan to cover the entire county, including our own section. The plan just submitted by the court is as good as could be planned. We would like immediate work on the road from the Morrow county line to Echo. We want a way to get to Pendleton and hope there is to be no tie-up."

**J. F. McNaught**—"The program covers the field in a comprehensive way. We must avoid local bickerings. The future should have to pay a share of the road expense. Sentiment on the bonding subject is now much different from what it was four years ago."

**Must Get State Money.**

**MILTON**—H. M. Cockburn: "We must get our portion of the state money or that money now available will be apportioned to other counties. The bonding outline is reasonable. The expense to taxpayers will be about two mills or \$2 per \$1000 of assessment. Personally I would pay \$5 per thousand to get good roads."

**S. A. Miller**—"I have been in this county for 47 years and the old trails for spotted ponies are no good any longer. At a meeting in Milton quite a number present expressed themselves unanimously of bonds and I believe this plan will have our hearty approval."

**PENDELTON**—George Baer spoke in behalf of David Nelson who had been called out of town and read a letter from Mr. Nelson in which Mr. Nelson said he considered the only method available to secure state money was to bond the county. He committed himself personally to the move and also officially as president of the Umatilla County Good Roads Association.

**Pat Loneragan**—"The Pendleton Commercial Club wants to secure good roads. We should not put up the dollar for dollar offer that is open to us. I favor an increased sum for the road from Nye to the Grant county line."

**H. J. Taylor Approves.**

**H. J. Taylor** (named by Mayor Vaughan)—"I expected to drive to Portland over a hard surfaced road. We have been buying bonds; now let us sell some. I was against the first bond issue submitted in this county, but I am going to support this plan."

**Judge J. A. Fee** (also named by Mayor Vaughan) declared that Mr. Taylor was the orator in behalf of the city but that he seconded Mr. Taylor's sentiments.

**To Grant Co. Etc.**

**PILOT ROCK**—J. N. Burgess: "I am in favor of the bonds. It is the only way we will ever get anything. This plan will put us on the map. At Pilot Rock we held a meeting and half of those present had previously opposed bonds but they expressed themselves for a bond issue now. We have the support of 75 per cent of the people." Mr. Burgess questioned the agency of the amount originally suggested for the road to the Grant county line.

**C. P. Miller**—"We hear from travelers right along that Oregon has the best people and the poorest roads of any state in the union. We must change this. Pilot Rock is going to get behind this move."

**K. G. Warner**—"I am heartily in favor of the move."

**STANFIELD**—E. A. Holte: "We want action now. The bond issue is the thing we will get behind."

**M. C. Farranar**—"The approval is so general it is needless for me to express myself. Stanfield will vote for it."

**BE PRETTY! TURN GRAY HAIR DARK**

TRY GRANDMOTHER'S FAVORITE RECIPE OF SAGE TEA AND SULPHUR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
