### Pays \$2,600 for Nuggets And Gets \$3 in Brass

CAMDEN, Jan. 21.—Lewis Weisband, a grocer at 28th street and Polk avenue, was swindled out of \$2,600, four diamond rings valued at \$500 and a \$100 watch yesterday. The swindler called himself Kerensky. He told Weisband, when they met three weeks ago, that he was out of work and had a wife and three children in New York City to support. Several days later Kerensky told Weisband he had met a man who had a chest full of Mexican gold nuggets, which he wanted to sell quickly, so he could leave town. Kerensky introduced the man to Weisband. The nuggets were produced. Another man, who said he was an expert, appeared with acids and scales, tested the gold and pronounced it worth about \$6,000. Weisband withdrew his life's savings from the bank, turned over his jewelry and took the nuggets. Today he went to the Assay Office and found the nuggets were brass and worth about \$3.

### AUSTRIAN HOSPITAL DIRECTOR REPORTED

ATHENS, Jan. 21.—According to a report received here from Smyrna the director of the Austrian hospital at Smyrna, Asia Minor, after the departure of the Austrian Consul, raised the French flag over the hospital, under the belief that France was the protector of Roman Catholic institutions in the Far East. The Italian Consul, it is declared,

demanding that the French flag be replaced by the Italian flag immediately. The director of the hospital refused. The Italian Consul, it is added, then requested the Turkish military authorities to arrest the director. He is reported to have been arrested and placed aboard an Italian warship.

### DO YOU KNOW

That the Weston Country offers exceptional opportunities to the man who wants to engage in intensive and diversified farming? A few acres here will make any rustler a good living and leave a good margin for his bank account.

It is the only locality in the county where you can produce two good crops of alfalfa per year without irrigation, and just think of getting from 600 to 800 lbs. of beans per acre on your summer fallow and 40 to 60 bu. of wheat or barley on same land the next year.

Weston strawberries, cherries and other small fruits yield heavily and are unsurpassed in quality.

We sold two nice tracts to Pendleton people on first visit. They know a good thing when they see it. We have a few select tracts from 10 to 30 acres at right prices. Get busy while the getting is good.

**Casualty.**  
Considerable enlivenment was caused in the editorial sanctum of the Middleton Weekly by the arrival in the morning postbag of a fine young chicken.  
"A piece of luck!" chortled the editor, as he gleefully displayed the bird to his envious sub.  
That evening a sumptuous repast appeared on the editorial dining table, and nothing remained at the meal's conclusion but the bones.  
A somewhat different complexion on the affair, however, transpired next day when the chicken contributor wrote to the editor thus:  
"Dear Sir: A few days back I sent you a fowl. Would you be good enough to inform me what caused his death?"

alled out of the place. But she did not smile so blandly that night when she received a little parcel and a letter, which read:  
"Madam—We are returning the pair of gloves and the hymn book which you inadvertently left in the pocket of one of our coats which did not fit."

**Irrigation Tariff Filed.**  
OLYMPIA, Wash., Jan. 21.—The Pacific Power & Light Company, of Portland, today filed with the Public Service Commission a schedule increasing rates for irrigation pump power 16 per cent in the Walla Walla and Yakima counties and along the Columbia. The increase is dated to become effective February 20.

**Struck Him Most.**  
A soldier who fought in the war with conspicuous valor obtained after his return home a situation in the service of a lady in the south of Ireland. One day his mistress was talking to him about his military career and asked him:  
"In all your experience of the war what struck you as the most wonderful of all?"  
"Well, ma'am," he said, "what struck me most was all the bullets that missed me."

**Didn't Fit.**  
Early one Monday a smartly dressed woman entered the big draper's.  
"I am sending back those coats you let me have on approval on Saturday," she told the manager, blandly. "I find that none of them really fits me."  
Then, with a gracious smile, she
