(East Oregonian Special.)
UMAPINE Jan. 26.—At a meeting of the stockholders of the Hudson Bay Rural Telephone company held last week about two thirds of the members were present to discuss the best way possible to improve the rural telephone service in this community. It was decided to practically rebuild the entire line from Freewater to Hudson Bay and an assessment of \$25 was made against each member to defray this expense. D. O. Saunders and Lane Hood were appointed a committee to take up with the county court the matter of using the right of way for a permanent line.

As the court was not in session when their visit was made to Pendleton this permission was not secured, but Judge Marsh promised to take the matter up as soon as the commissioners met and offered no objections to the same. James Wisnor was named as superintendent of construction and it is planned to build jacks four feet square around all the poles and fill same with rocks to hold the poles. A competent line will be employed after the poles are set to properly stretch the wires, new cross arms and insulators will be used where needed and when this work is completed it is expected we will have one of the best rural telephone systems in the county. It is planned to put "Pay stations" in the business houses at Umapine and a nominal charge will be made to outsiders who desire to use the service.

Weston Invites Strain To Discuss Road Bonds

(East Oregonian Special.)
WESTON, Or., Jan. 29.—The Weston Commercial Club met Tuesday evening for the first time since its meetings were discontinued for the summer. E. C. Rogers is the retiring president. The officers elected for the ensuing term were J. W. Porter, president; Sam J. Culley, vice president; Frank Price, secretary-treasurer. A very lengthy discussion was held regarding the road bonding proposition. The sentiment of those present seemed to be favorable for bonding. By vote of the club it was decided to invite Mr. C. P. Strain to address the club on this subject at its next meeting.

Sergeant Sidney Barnes, the second of Weston's overseas boys to get back, arrived home Wednesday morning. Sidney being considerable of a local artist, and his fame having preceded him to France, he readily fell into the camouflage painting detail where he has remained ever since. He was sent to Camp Lewis to be mustered out. His father, S. A. Barnes, met him at the train in Pendleton Wednesday morning and brought him to Weston by automobile. A few hours after his arrival a delegation of thirty or forty of Weston's business men went up to the house to shake his hand and bid him welcome. Mr. Barnes was very glad to get home. One of the first things he said was, "This is the day I've looked for for the last year." In speaking of the work of the relief societies in the war zones he does not enthuse much over the Y. M. C. A. He speaks in the highest praise of the Red Cross, and especially so of the Salvation Army, who were always right up to the front lines, in their gas masks, serving hot coffee and doughnuts.

Mrs. A. P. Perry and baby daughter of Freewater, are visiting Mrs. Perry's sister, Mrs. F. G. DuPuis.

Gus Olson returned Tuesday from Camp Lewis after having been honorably discharged.

Joe Luetallen was up from Rieti visiting his family over Sunday.

L. B. Davis was a business visitor in Pendleton, Monday.

Mr. and Mrs. Frank Hildebrand were in Walla Walla yesterday.

At a regular meeting last night of Stevens lodge No. 49, Knights of Pythias, the following officers were installed by P. T. Harbour, deputy grand chancellor; L. D. Wilsey, chancellor commander; Walter Williams, vice chancellor; Sam J. Culley, prelate; Clarence Hand, master of work; P. T. Harbour, keeper of records and seal; C. L. Pinkerton, master of finance and master of exchequer; Geo. Walden, inner guard; J. V. Bell, outer guard.
