tation of the drainage system of the uman body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise. splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as freah as dalay by opening the shuices of the system each morning and glushing out the whole of the internal poisonous stagnant matter.

ous stagnant matter. ' Everyone, whether alling, sick or well, should, each morning before breakfast, drink a glass of real hol water with a teaspoonful of limestons phosphate in it to wash from the momach liver and boseds the previous day's indirectible wast, oner bile and policonous toxins; thus cleansing, sweetening and purifying the entire plimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the
