"There may be some plugs that look bigger—but it's the good taste of genuine Real Gravely and the way it stays with you that counts."

Good taste, smaller chew, longer life is what makes Genuine Gravely cost less to chew than ordinary plug.

### GIRLS! THICKEN AND BEAUTIFY YOUR HAIR AND STOP DANDRUFF

TRY THIS! YOUR HAIR GETS WAVY, GLOSSY AND ABUNDANT AT ONCE.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderline. It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knawton's Danderline now for a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—growing out all over your scalp—Danderline is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once. If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderline and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

### MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

#### ALTA TODAY.

Big Army and Superman Ideas Arouse Soundly Swatted in "Good-bye Bill". Of course, it wasn't just the uniforms. It was the army and the idea that he was a superman and the mustache that made him look like a startled catfish. All of these things to gether made a fool of Bill Hobenzon of Berlin. Anyway, we see "Good-bye, Bill!" at the Alta theater today and see if you don't agree with John Emerson and Anita Loos, the authors and producers of this splendid Paramount photoplay, that Bill was some fool. The idea of the play is delicious. Old Bill didn't think he looked as dangerous as a sure enough war lord should look, and was worried about it. One of his agents found a German in West Hoboken, N. J., who had invented a mustache-fixer. He hurried to Berlin and tells Bill. "Hurrah! Bill got a fixer and it made his mustache stick straight up like the ears of a jackass. Then he thought he was sure a superman. He started the world war at once. And wasn't Bill surprised when the first fellow he tried to scare to death, little old Telemir, swatted him on the nose. Then came Russia and France and England and last and worst of all, your Uncle Sam. It was sure rotten for Bill, and just when he thought he had everyone scared stiff, too. "Good-bye Bill!" is a delicious satire on the superman idea. Also, there is in it a good trench fight and some up-and-coming American kid whose best girl is in Berlin and who can't wait for the rest of the army to get there and go on ahead. Ernest Truex is the ginger boy of the story and the American girl, marooned in Berlin is played by Shirley Mason. The support is excellent.

#### Book on Oregon by Prof. J. B. Horner is Interesting Volume

"Oregon the Union," a historical book of this state by Prof. J. B. Horner, professor of history at O. A. C., has just been published. The book contains a wealth of information concerning early Oregon and much about present day affairs. Including a page devoted to the Pendleton Round-Up. The early day chapters, all well illustrated, will be of fascinating interest to readers. The Oregon Indian wars are chronicled, including the fighting in which the Indians of the Umatilla territory participated. The book contains a sketch of Dr. William C. McKay, and many other features of particular local interest. Professor Warner is a pioneer resident of the state and once lived here, his father being an early day preacher. The book was published in Corvallis and is being handled through the J. K. Gill Co., Portland.

#### IMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets. A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.
