STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

MOTHERS

Should see that the whole family take at least 3 or 4 doses of a thorough purifying system cleaning medicine this spring. Now is the time. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the worms of winter, accumulated in the system, driven away. Hollister's Rock Mountain Tea is one of the very best and purest spring medicines to take. Get it and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. Tallman & Co.

He thought that over for a while and then decided the voice was not part of the strange dream that had

"You've got me wrong, miss," he said. "I'm Sergeant Johnson."
"Oh, no, you're not," said the nurse, "you were promoted while you were asleep."
