By means of sharp, shrewd buying and the help of our Eastern connections we are enabled to offer you values far below the present market, which only makes the saying, "It pays to trade at the Peoples Warehouse" more than ever true. We invite your inspection.

Why all-wool in your clothes?

Here are the reasons why: all-wool fabrics wear longer; only all-wool fabrics hold their shape; only all-wool fabrics stay stylish; they give you more satisfaction.

It costs more to put all-wool fabrics into clothes, but it costs you less to have them. You get more service for every dollar you spend.

That's why we urge you to buy all-wool clothes; because you get more out of them than you do other clothes; that's why Hart Schaffner & Marx use nothing but all-wool fabrics! they make their clothes to give you the most service—you ought to have that kind; your satisfaction is guaranteed.
