THEATER PRESENTED TO CITY OF RHEIMS

By HENRY WOOD
(United Press Staff Correspondent)
PARIS, Feb. 19. (By Mail.)—The Marquis de Polignac has just donated to the city of Rheims, when his champagne establishment is situated, a theatre to replace the one destroyed by the Germans. The contract for the woodwork and interior finishing of the theatre has been given to the largest airplane factories in France which a few months ago has more airplane contracts to fill for the French war department than it could take care of, but which now has nothing on its hands but its payroll. It is expected that the contract for the theatre fixtures will be over the factory until the entire plant can be readjusted to the manufacture of peace time products.

MOTHERS
Should see that the whole family take at least 3 or 4 doses of a thorough purifying system cleaning medicine this spring. Now is the time. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system, driven away. Hollister's Rock Mountain Tea is one of the very best and surest spring medicines to take. Get it and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. Tallman & Co.
