Lindgren & Franseen TAILORS

Pendleton, Ore., March 8, 1919.

TO THE PEOPLE OF UMATILLA COUNTY:

Owing to the conditions of the wool and cotton market the prices on clothing during the past year has been almost prohibitive with the result that many people who have desired the pleasure of wearing good clothes have simply refrained from buying, expecting at the close of the war that prices would go down. The cost of the materials used in the construction of a suit have not dropped, as all materials now on the market were made long before hostilities ceased.

However, with the co-operation of the prospective suit customers of this vicinity, we shall be able this spring to look after your clothing requirements at as near normal prices as is possible. We have hundreds of good, first class suitings that will run from \$45.00 to \$55.00

Our reputation as tailors is known throughout Eastern Oregon and our workmanship, style and fit is absolutely guaranteed.

Help boost home industry by buying your clothes here where they are made under your personal supervision.

Do not buy until you have seen what we offer. We know you will leave your order.

Yours very truly,

LINDGREN & FRANSEEN.
