Baked Beans.
Take a quart of pea beans; wash them; then put them in a 2 quart bean pot; put in a half pound of fat pork; then 2 tablespoons of molasses and a quarter of a teaspoon of black pepper, and cover them over good with cold water and put in the oven at 3 o'clock in the morning. Keep a good fire so that they will bake and they will be done at 6 o'clock at night. Look and see if the beans are dry, about every half hour, and keep putting water in the pot till they are cooked; then put in a half teaspoon of salt 15 minutes before taking the beans out of the oven.

Fried Fish.
Take the fish, wash and clean it; then sprinkle little salt all over it. Take a big plate and put a cup of white flour in the plate; take a fork and with it take the fish and roll the fish in the flour and then take each slice and put in the frying pan, when the fat is so hot that it smokes; and then let the fish fry till it is brown; then turn it on the other side. Do not let it burn. Keep the fat hot so the fish will not soak up the fat.

Sweet Potato Pie.
Line a plate with paste; build a rim and mix the following mixture: One cup mashed potatoes (small), 1 1/2 cups milk, 1/4 cup sugar, 1/2 teaspoon salt, 1/2 teaspoon vanilla, 1 egg slightly beaten.

Spider Johnny Cake.
Mix together 1 1/2 cups Indian meal 1/2 cup flour, 1 teaspoon salt, 1/2 cup sugar. Mix 1 cup of sweet milk, 1 cup sour milk, 1 egg, 1 teaspoon soda. Mix the two lots thoroughly, turn into a heated and buttered iron spider; turn over the top 1 cup sweet milk; bake in a moderately hot oven 1-2 hour.

42D WILL NOT JOIN
WASHINGTON, March 8.—Baker has advised Secretary Glass it will be impossible to advance the home coming date of the 42d division. Glass wanted the return hastened so the division could participate in the Victory Loan campaign.

SITUATION HELD SERIOUS
LONDON, March 8.—The situation in Germany is much more serious than German dispatches indicate, according to information from neutral sources. Chancellor Scheideemann's forces are said to be limited to 36,000 troops. Munich is reported to be controlled by a few Russian Bolsheviks who frankly do not care what becomes of Germany. They are supported by mobs of demobilized soldiers.
