

# SOCIAL AND PERSONALS

Rivaling a "real Round-Up crowd," a party of dancers assembled in Happy Canyon pavilion last evening and enjoyed the St. Patrick's day dance for which members of the automobile association were hosts in conclusion of the automobile show festivities. In the latticed pergola, hung with wisteria blooms, which formed a part of the previous event's decorations, chairs were placed for guests who preferred to watch rather than dance, while a new feature was the screening off of the unused part of the hall and the formation of a smoking room.

A frieze design of shamrocks was added to the mural decoration of the pavilion, while the same touch was added to the orchestra box where great, conventional pots of green foliage carried out the St. Patrick theme. A feature of the whole event which attracted comment was the fact that the pleasing effect was due to the work of a Pendleton decorator, Sam Wright, while the music, another attraction, was furnished by a local orchestra, four of its seven musicians being members of the same family. Miss Marie Fletcher, banjo; Bobbie Karl Guilt, piano; Jos. Payant, violin; Wesley Fletcher, traps, and F. W. Fletcher, director. English Hallad horn. The other players are Fletcher, marimba and xylophon; and R. Smith, trombone. As promised there was "no limit of music" and the dancers lingered until a late hour.

Miss Mary Johns, Miss Jean Shanard and Miss Laura Jerard were members of a party motoring from Stanfield last evening to attend the Happy Canyon dance. Miss Shanard, who had been a guest of Miss Johns and

Miss Jerard over the weekend, remained in Pendleton as the guest of Miss Helen Johns, the other girls returning to Stanfield.

Miss Grace Keeler of Boise, is a guest of Miss Madge Albright of 307 Aura street. Miss Keeler is en route to Tacoma for a visit with her mother.

Despite a "rainy day" appreciation of the courtesy extended to friends by members of the Parish House Guild of the Church of the Redeemer was expressed by the scores of matrons and maids who called at the G. W. Phelps home on Washington street during the receiving hours between 3 and 5 yesterday afternoon. The event was planned in order that the guild might extend its hospitality to friends who have helped toward the success of recent affairs given in benefit of the proposed parish house and the hospitality was charming in every detail. About the attractive rooms artistic baskets of fluffy ferns, developing the St. Patrick motif as the event fell on March 17. The guests were greeted at the door by little Miss Janet Simis, a charming little maid whose dainty white frock was worn with a big bow of green, and in line were Mrs. J. C. Snow, Mrs. Phelps, Mrs. Westbrook Dickson, Mrs. H. S. Rudd, Mrs. H. J. Warner, Mrs. G. A. Hartman, Mrs. J. R. Raley and Mrs. Sylvan Cohn. In the dining room, where the shades were drawn, green candles cast their glow upon a pretty tea table centered by a basket of the fluffy ferns, a gay bow of green tulle surmounting the basket. Presiding at the urns were Mrs. James Welch and

Mrs. James Sturgis. Several musical numbers contributed to the pleasure of the afternoon, some appealing songs of the Irish being chosen. Mrs. R. L. Burroughs sang "Believe Me if All Those Endearing Young Charms" and "Bendemeer's Stream," Miss Mildred Berkeley sang "Tale of Dreams," and Mrs. Warner sang "Mother Machree."

The Thursday Afternoon Club will meet on Thursday of this week at the home of Mrs. F. E. Boyden, with Mrs. A. J. Owen, Mrs. S. A. Lowell, Mrs. G. W. Phelps and Mrs. Boyden as hostesses.

Mrs. W. Schwartzberg, accompanied by Miss Mena Schwartzberg, left today for Spokane where they are to visit for a time as guests of Mrs. Schwartzberg's parents.

To cast a vote on the proposed league of nations, a meeting of the Civic club has been called for tomorrow afternoon at 3 o'clock in the club room of the library and all clubs whether federated or not, are asked to join in the balloting. The result is to be forwarded from Oregon to President Wilson as an expression of the state's sentiment.

## For Constipation! Physic Purge or Laxative?

Everyone now and then becomes constipated, and millions are chronically in that condition. The perplexing question arises—what to use.

Purgatives and cathartics are drastic and usually cause a reaction. Saline waters are rapid in action but do no more than empty the bowels.

Just as certain an effect, and certainly a much more pleasant one, can be obtained by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. It acts gently, without griping. It is an especially ideal medicine for children, women, old people and others who find purges too powerful.

Only a teaspoonful is required, and by morning the movement is free and complete. A bottle in the home is insurance for the whole family against constipation, indigestion, headaches, flatulency and other digestive ills.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 25 years. Two sizes—50c and \$1.00.

Mrs. Charles H. Anthony, the Queen of Diamonds, of Municipal, Ind., has knocked you cold again on Peacock Alley.

A few years ago she staggered New York first with her diamond heels and then with a watch set in her left stocking. Now she is bewildering New York with her new armband.

This piece of construction work in jewelry was designed and fashioned by Mrs. Anthony herself. It is as substantial as a fabricated ship. In terms of engineering, it consists of a stout band of metal and diamonds surrounding the wrist and fastened by a stout rope of diamonds on the fingers.

**HOW IS YOUR HIGHWAY TO HEALTH?**

All about us are persons who pay a great deal of attention to the purity of their food, yet the teeth of many of these persons are so unclean and so decayed that they cannot chew a single bit of food without filling it with millions of bacteria. These bacteria become mixed with the food while it is being chewed, and all day long they are passing down the throat in to the stomach.

It is hardly worth while to take care of food for a person who is going to spoil every particle of it before he swallows it.

Decayed teeth and sore gums also cause people to swallow their food without chewing it properly.

When a tooth begins to decay it should be filled by a Dentist at once, the sooner it is done the better, for it costs less to fill a small cavity than a large one, it leaves the tooth in better condition and it may save the other teeth from decay.

Don't wait until tomorrow, have it done today at
