#### "DANDERINE" FOR FALLING HAIR

Stop dandruff and double beauty of your hair for few cents.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug store for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops coming out and you can't find any dandruff. Your hair appears soft, glossy and twice as thick and abundant. Try it!

#### A REAL IRON TONIC

Like Pepton May Be Just What You Need This Spring.

Probably nine people out of ten have lost or are losing their grip on health in these trying months of awful epidemics, exposure to damp, changeable weather, and association with sick people in overcrowded homes. Depleted blood, loss of the red corpuscles, shattered nerves, loss of appetite, dull, dozy feelings in the head, irritability, all loudly call for the real tonic strength and nourishment that Pepton will give you. It is a wonderful corrective of anemic tendency, paleuess, languor, nerve exhaustion. Pepton restores the red corpuscles to the blood and gives a natural vigor and snap that keeps up courage, makes you cheery and helpful to your family and friends, and contributes wonderfully to the health of all. Remember this one thing—its vitality, positively true—Pepton is a real-iron tonic.

## Such Women Just Have to "Give Up"

"Man may work from sun to sun, but woman's work is never done." That's why women are overworked, nervous, all run down, no appetite, and can "hardly drag around." Vinol creates a hearty appetite, strengthens the digestive organs, induces sound sleep, invigorates the nerves, and in this natural manner creates working strength.

Narragansett Pier, R.I.  
 "I was all run-down, back ached, and tired all the time. I keep house for my husband and four children and could hardly keep around. Finally I tried Vinol and it has restored my health and helped me wonderfully, so I recommend it to others who are in this condition."—Mrs. Hannah Randall.

Jacksonville, Ill.  
 "I keep house for my little family, but got into a week, nervous, run-down condition, tired all the time and no ambition. My doctor told me to try Vinol, and in a week I felt like a new person. I am now strong again, look after my baby, and do all my housework."—Mrs. G. H. Lamson.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.
