New Spring Blouses

Color plays a very important part in the new waist styles. Biege and blue have a long following of admirers, but, to all indications, the hue called "Artillery Red" seems to lead in favor.

The materials are taffeta, Georgette, crepe de chine, cotton voile, etc., adorned with square and round collars, bands, blithesome little tucks and pleats. Prices range from... \$3.50 to \$20

EAST OREGONIAN SPECIAL NEWS OF UMATILLA COUNTY

Coyote Hunting is Westland Sport

(East Oregonian Special.)
WESTLAND, March 28.—Coyote hunting seems to be the sport of the day in this end of the county. A number of dens of young ones have been dug out.
L. D. Gasey was a business visitor to Heppner on Saturday.
Mr. Rhea and family of Ione, were weekend guests at the home of Mr. Rhea's brother, Walden Rhea, of Butter creek.
There was a break in the high line of the Western land ditch last Friday which interfered with the irrigation for a few days.
James Cornfield of Pendleton visited over Sunday with his daughter, Mrs. Reip.
Walter Nation entertained a number of his young friends at a birthday party on Saturday. The invited guests were Lucile Richards, Susan Spencer, Tom Richards, Dale Reip, Cleo Reip and Nina Shipley.
Hugh Rhea is home from the O. A. C. for a few days between registrations.
R. E. Thom of the 42nd Artillery, who has been in France for the past year, returned home on Monday. He thinks he has seen some country but none quite so good as old Umatilla.
E. L. Jackson of the Minnehaha district, made a shipment of fat hogs to Portland on Saturday.
Mrs. C. H. Shaw, who was taken ill while at Umatilla, has recovered sufficiently to return to her home.
The O. W. R. & N. section has been released and half will be looked after by the standard crew and half by the crew from the Tanks.
The wrecker was here and picked up the remains of the freight car that was wrecked on the siding. The scraps will be taken to La Grande where they will be salvaged and some used there and the rest will be sent on east to car shops to be worked over.
Mr. Reip has been called to Graybill, Wyoming on business. While he is gone Mrs. Reip and children will visit with Mrs. Reip's parents at Pendleton.
The little child of Mr. and Mrs. Wheatly, who has been seriously ill, is somewhat improved.
Six blanks have been sent out from the Westland school to homes of the boys who enlisted in the world war. These questionnaires will soon be returned to Miss Marvin, state historian, who is collecting data of the recent war for the state. Of these six, four have returned to their homes. Otto Shipley is on the way home from France and Irvin Huff died while at Camp Lewis.

Before The Advent Of Woman's Gladness

Women Who Know Take Precaution Against Suffering.

Before the arrival of the Stork, women for over half a century have learned the value of giving nature a helping hand. Nausea, nervousness, bearing-down and stretching pains in the abdomen and muscles are entirely avoided by the use of Mother's Friend, according to the testimony of thousands of mothers who have used this time-honored remedy.
Mother's Friend lubricates the fine network of nerves beneath the skin, and by regular use during the period the muscles are made and kept soft and elastic. They can then expand gently and easily when baby is born and pain and danger of the crisis is naturally avoided.
Write to the Bradford Regulator Company, Dept. A, Lamar Building, Atlanta, Georgia, for an interesting Motherhood Book, and obtain a bottle of Mother's Friend from the druggist. You will find it the greatest kind of help.

Dean Finds Check For Thousand Hidden Under Desk Papers

UNIVERSITY OF OREGON, Eugene, March 28.—A check for one thousand dollars! "This must be a joke!" Such was the reaction to the unexpected when Dean John Straub, of the University of Oregon, discovered on his desk Monday morning said check made out to him and bearing the signature of Mrs. W. F. Jewett of Gardiner, Oregon.
"I must find out about this," and the dean hastily thumbed the leaves of the telephone directory in search of the name signed to the check.
"This is Mr. Straub," when he got his party.
"Just w-hat does this c-check mean?" he inquired.
"Oh! it is for the woman's building, and it is really so? I just found it on my desk," he exclaimed.
"It has been there since Saturday night, you say? What time? Ten o'clock?"
Mrs. Jewett had slipped the check on the desk during the festivities of the Colonial assembly, given to raise funds for the women's building. Thus the people interested in the university missed thanking Mrs. Jewett for 24 hours. She could feel amply repaid, however, by the big smile worn the entire day by Dean Straub.

LEMONS BRING OUT THE HIDDEN BEAUTY

Make this lotion for very little cost and just see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart of skin and complexion lotion, at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.
Any druggist will supply the three ounces of orchard white at very little cost and the grocer has the lemons. Adv.

Caucasian is Bride, Groom Hindu Prince

VANCOUVER, Wash., March 28.—A Hindu prince, son of M. B. Pondexter of India, and Mary Donner of New York, a Caucasian, were married by Judge W. S. T. Derr Tuesday.
The prince, Richard Pondexter, is a graduate of Columbia university. He wore a Turkish head dress, cape, a number of rings, bracelets, precious stones, and gold ornaments, estimated to be worth several thousand dollars, provided they were genuine. He gave his occupation as teacher.
The bride gave her occupation as doctor of psychology. They were accompanied by William H. Soule and Paul C. Dornitzer of Portland, who acted as witnesses. The groom disclosed the fact that he is a thirty-third degree Mason, a member of the Knights of Pythias and the I. O. O. F. lodges, and a citizen of this country.
While they gave their address as Portland it is believed it was only temporary and that they have gone to California.
No man with a knowledge of law ever makes the will for the deed.
