THE SHOP OF BARGAINS

MEETS THE APPROVAL OF THE BUSY SHOPPER
We wanted to know how our newly remodeled Bargain Basement pleased the customer so we took the pains to ask every one that has visited this department since we made it over. We asked them their opinion on the display counters about the sides, their opinion on the display tables and their arrangement, their opinion on our convenient arrangement of the shoes, the suits, dresses and skirts; and everybody seems to be more than pleased. They all like the showy white interior—and best of all, the good ventilation and the added room, all of which make your shopping a pleasure.

GALICIANS AND FOES TO GET SHARP WARNING

PARIS, April 2.—Marshal Foch and other generals were called in during a prolonged session of the supreme council to give their advice as to action which should be taken in Galicia where Ukrainian forces are besieging Lemberg which is threatened from three sides. It was decided that a sharp warning should be sent to both sides asking for a suspension of hostilities. The warning will take the form of an "injunction" to the two armies.

HOME RULE BILL TO LEAVE ULSTER OUT

WHOLE WORLD 'BUSTED' IN ARGONNE ATTACK. WRITES BERT WILSON

Description of the Argonne fight is given in a letter to Mrs. Ella Straub from Bert Wilson, member 137th Infantry. Following are extracts from the letter:

"We moved up behind some hills close by the Argonne wood getting ready for the big noise and surge enough it came, September 26. In all my life I have never seen or heard of anything that compared with the six days following. That night there was artillery firing at short intervals but at 5 a. m. the whole world 'busted.' Over we went, into their trenches. I didn't seem to be scared but I felt under my helmet and my hair was standing straight up.
"We didn't meet any more Boesche until we had gone three more miles and later the smoke barrage raised and my company halted in a three cornered pasture where the Huns had three different machine guns within 300 yards of us. Well, we had to get out some way as we were in plain view so we undertook to withdraw. While we were doing it, 12 of my comrades were wounded and 17 killed and how they failed to get all of it is more than I can tell.
"I was in the hospital for seven weeks; the doctors said I was scared but finally they treated me for pneumonia. I feel fine now but want to get back to the U. S. A. and we expect to leave here April 27."

FOOD PRICES FALL BUT ARE STILL HIGH

WASHINGTON, April 2.—Although food prices showed a decline of six per cent during the month ended last February 15 prices were nine per cent higher than those prevailing in February, 1918, and about 75 per cent higher than the price average for 1913. The market declines were in eggs, 23 per cent; butter, 19 per cent. Potatoes led the 12 articles, showing an increase of 25 per cent.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping in the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.
If you have a "dark brown mouth" now and there—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.
