GET GOOD CLOTHES QUALITY—IT'S THE ONLY WAY TO SAVE MONEY

The war taught one lesson; that good quality is economy. People had to make their money do more; they found they couldn't afford poor quality; they couldn't take a chance; they bought good stuff because it saved. Don't forget that lesson; it still holds good—buy clothes of good quality; they cost less because they last longer. We back that up with a money-back guarantee.

The new styles for spring

Hepner Trap Shooters Will Visit Traps Sunday

Hepner trapshooters, a dozen strong, have sent word that they will visit the Pendleton traps Sunday afternoon for a practice shoot with local gun enthusiasts. In order to make room for the visitors to shoot, local nimrods will begin their attack on the clay birds at 10 o'clock.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 30c and 25c per box. All druggists.

gun enthusiasts. In order to make room for the visitors to shoot, local nimrods will begin their attack on the clay birds at 10 o'clock. Among the Hepner people who have notified the local club that they will drive over for the Sunday shoot are Mr. and Mrs. Bowker, Patterson, Atkins, Spencer, Cohn and McNurdau.

Happy Mothers Prepare in Advance

A Wonderful Influence For Expectant Mothers.

Mothers for over half a century have used with the utmost frequency the time-honored preparation, Mother's Friend, before the arrival of baby. Here is a truly wonderful penetrating application for the abdomen and breasts. It softens and makes elastic the muscles, rendering them pliant to readily yield to nature's demand for expansion. By its use the anxious months of pregnancy are made comfortable. The usual wrenching strain, bearing-down and stretching pains are counteracted. The system is prepared for the coming event, and the use of Mother's Friend brings peaceful nights and happy anticipation. For the nerves are not drawn upon with the usual strain.

By its regular application the muscles expand easily when labor arrives; the time is less of the crisis and naturally the pain and danger is less. Mother's Friend is on sale at every drug store. It is for external use only, is completely safe and wonderfully effective. Write the Dr. Reich, Proprietor Company, Dept. C, Lamar Building, Atlanta, Georgia, for their interesting Motherhood Book, free of charge. Mother's Friend, and obtain a bottle of Mother's Friend from the drug store and begin this grateful treatment.
