WOMEN'S LEMON JUICE IS SKIN WHITENER

For a Few Cents.
The juice of two fresh lemons squeezed into a bottle containing three ounces of cream makes a whole lot of the most remarkable skin whitener at about the cost of a small jar of ordinary cold cream. Care should be taken to strain the lemon juice through a cloth so no lemon pulp gets in. Use this lotion will keep fresh for weeks. Every woman knows that lemon juice is used to bleach and remove freckles, as freckles, sallowness and is the ideal skin softener, cleanser and beautifier.
Just try it! Get three ounces of cream, white at any drug store and two fresh lemons from the grocer and make a quart of this sweetly scented lemon lotion and massage it into the face, neck, arms and hands.

GERMANS DO NOT CREDIT OWN LIES

BERLIN, April 8.—German tribute to the effectiveness of allied propaganda is contained in the remark of an official in the foreign office to the United Press correspondent. "You folks have been so clever in your propaganda that Germans themselves are beginning to think they are always wrong in their views. It is convincing them of the direct opposite of what they believe."

The Germans have always thought they had an effective and winning system of propaganda. Formerly it was effective, especially among Germans, though it seemed clumsy to others. Every German is a propagandist for something, and he expects everyone else to be the same.

A German usually does not believe his own propaganda too strongly, but he expects to convince others of it. The biggest propaganda point prob-

ably in Germany is the question of who is responsible for the war. Every German feels he must talk to keep people from believing that Germany did start the war. It is one of the arguments sure to come, if you converse with a German long.

The people in Germany who believe that Germans and especially the military class deliberately instigated the war is constantly growing. Germans in general believe this is due to allied propaganda, which they blame for other new views that gain ground. They are amazed at the strength of this so-called propaganda.

One thing the Germans never will realize is that the truth is the basic feature of allied propaganda, and is its principal source of strength. The reverse was true of German propaganda, generally speaking.

Plan Victory Monument To Cost Million at K. C.

KANSAS CITY, April 8.—Kansas City is to have a Victory monument to commemorate its soldier heroes. Plans for a \$1,000,000 monument and a \$500,000 building, that may be the repository of records, trophies and relics, were adopted last night by a unanimous vote of the Liberty Memorial Association.

The decision on the type of memorial was reached last night when a large meeting of the committee voted decisively for the "monument plus a building" plan.

With Fingers! Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man.
Just ask at any drug store for a small bottle of freezone. Apply a few drops on a tender, aching corn or callus, and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it off with the fingers.
Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.
Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical.
Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.

REPARATION SUM MAY BE DETERMINED LATER

BY FRED FERGUSON.
PARIS, April 7.—An effort is being made to insert a formula in the peace treaty for exacting reparation from Germany without naming the specific amount. This formula would clearly establish the principle on which Germany must pay, leaving to a special allied commission the task of determining how much. The British, French and Italians are understood to be favorably inclined toward such a disposition of the knotty problem. The Americans are said to be occupying a neutral position in the discussion, their endeavors being directed merely at aiding in framing the proposed formula.

It is regarded significant that as the provision for the financial commission now stands it is understood to specify "allied commission" which would eliminate the United States from the necessity of action as collector.
