BEAVERS GO LOWER IN COAST STANDING

SALT LAKE CITY, April 17.—Portland was bumped farther into the cellar yesterday in a fairly good game which the Bees won, 3 to 1. Batteries—Lukanovic, James and Baker; Markie and Spencer.

LOS ANGELES, April 17.—Los Angeles came from behind in Wednesday's game and for the second straight time beat Vernon. The score was 5 to 4. Batteries—Petrica and Lapan; Houck and Cook.

SACRAMENTO, April 17.—The Senators played errorless ball yesterday and took the second game from the Rainiers, 3 to 0. Batteries—Main and Coleman; Prough and Murray.

SAN FRANCISCO, April 17.—By winning from San Francisco yesterday, Oakland moved into second place. The score was 5 to 2. Batteries—Arlett, Kramer and Elliott; Kantlehner, Smith and McKee.

Capable of Improvement. "Wanted," says an advertisement in the Akron Beacon-Journal, "an ad-

vance salesman with a convalescent personality." At first glances this seems to be a typographical error of some sort. But as you study it a purpose begins to emerge. Surely, a convalescent salesman is a salesman that gets better all the time. And that's the kind that fills a long felt want. "It's a fine description,"—Cleveland Plain Dealer.

Smelter Stack Must be Downed Brick by Brick

TACOMA, Wash., April 16.—Workmen are starting today on one of the biggest chisel jobs in history.

They are to chop down, bit by bit, a concrete stack at the Tacoma smelter. The chimney stands 300 feet high above the ground, its flue is 16 feet internal diameter and the walls are eight feet thick.

The immense shaft cannot be blasted to pieces or tipped over because the main line double track tunnel of the Northern Pacific railroad runs through the hill within eight feet of its base.

At one time the stack was known as the tallest cement chimney in the world. It has just been replaced by a brick stack many times its diameter and 525 feet high, the tallest chimney of any sort on earth.

to Operated Upon. Miss Ruth Nelson of Pilot Rock was operated upon today at St. Anthony's hospital.

GENERAL WOOD AND HIS D. S. O.

This picture of General Wood was snapped just after he was decorated with a Distinguished Service medal. Though the general was not permitted to go overseas, his wartime service at home has been recognized.
