year and when last heard from expected to remain in the service for
some time. He is well known in Pendleton. His service star is in the
Church of the Redeemer service flag.

People Would Settle Here. Pendleton is due for some new residents if information asked of the Pendleton Commercial Association is satisfactory. Two inquiries regarding opportunities locally were received opportunities locally were received today. One is from a woman in Del-Norte, Colo., who would raise chick-ens here and another is from a young doctor who will shortly be released from the navy on the east coast and wants to settle in Oregon. He is a graduate of Northwestern University and licensed to practice in Illinois.

Where Are Men Golng?
Walter B. Pitkin, of the Pulitzer
School of Journalism at Columbia
University, New York City, wants to
know whether men who left the farms and small towns for war service are returning to their towns and farms or what is becoming of them. In a letter to the Pendleton Commercial Association today, Mr. Pitkin requested that the information locally be sent him, if available and any other information, which would lead to asset mation which would lead to ascer taining of the facts.
