Wife Explains New Divorce Philosophy

SAN FRANCISCO, April 29.—Wives should emulate their husbands

Fruit-Juices In Vials

Jiffy-Jell flavors come sealed in glass—a bottle in each package. Each is rich essence, condensed from fruit juice.

Add boiling water, then this essence, and you have a real-fruit gelatine dessert, and at trifling cost. You should know this fruity dainty.

Jiffy-Jell

10 Flavors, at Your Grocer's 2 Packages for 25 Cents

In bestowing careless affection upon strangers, is the philosophy contained in the cross-complaint of Mrs. Minnie Grace Bullard, 240 Calirilo street, filed in the superior court today in answer to the divorce suit recently commenced by Harry Bullard, a jeweler of this city. She denies the charges made against her conduct by her husband and seeks to justify any minor mistakes in her conduct which may have occurred by asserting that she is hiding the flames of certain women with whom her husband was intimate.

Couldn't Find Man Who Had His \$3000

MINNEAPOLIS, April 29.—Oscar Mickelson, a banker, of Custer, Mont., tonight told the police he had bet nearly \$3000 with two strangers he met in a Great Northern train on a horse race. Late tonight he was unable to find the men.

While on his way to Chicago from Custer, Mickelson overheard two men on the trail telling of the marvelous race track feats being performed by "Jupiter" on the handicap turf event at New Orleans. Mickelson struck up

an acquaintance with the men and judiciously inquired about the big event and learned that Jupiter was a "sure go" in Monday's race at New Orleans.

The strangers knew of a bookie here who would place any wager, so Mickelson delayed a business trip to Chicago to play Jupiter by wire. In a downtown hotel he gave the men approximately \$3000 and they told him to wait there while they visited the bookie.

FOR FEEBLE OLD PEOPLE

John Devitt Recommends Vinol to Great Strength and Vitality.

Marlton, N. J.—"I am 69 years of age and after a severe sickness, was in a weak, run-down condition. Vinol has built me up and made me strong, so now I feel real well again, and I can recommend it to others for such conditions."—John M. Devitt.

The reason Vinol was so successful in Mr. Devitt's case, is because it contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the very elements needed to build up a weakened, run-down system, make rich, red blood and create strength. It is perfectly wonderful what it does for old people.
