MRS. WATSON OF DETROIT

Was Weak and Tired All the Time—Made Perfectly Well by Vinol.

Detroit, Mich.—"I got into a weak run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks, I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."—Mrs. John F. Watson.

There is no secret about Vinol—it owes its success in such cases to beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the oldest and most famous strength creating tonics.
