"Going Up" is a Musical Comedy In a class by Itself

IN taking your theatrical flights this season, don't miss seeing "Going Up," a musical comedy that has been the vogue in New York for the past year. In the first place it has the solid foundation of a really amusing and coherent plot. In the second place it is presented by a thoroughly capable cast and in the fourth place it has a spirited, well chosen and good to look at chorus.

A musical comedy that measures up to these standards is too good to be overlooked. To begin with, its story is one of the best that has been related in play form in years, its book and lyrics by Otto Harbach and James Montgomery are snappy and full of

"pep" and its music by Louis A. Hirsch, tuneful and whistly, and to end with, it is presented by Colan & Harris, and this fact alone should be sufficient guarantee of its worthwhileness. Therefore, we repeat, in making up your program of amusement don't overlook "Going Up."

OREGON THEATER, THURSDAY, MAY 22.

You Can't Cure Rheumatism With Liniments and Lotions

Torturing Pains Promptly Return in All Their Intensity

You may as well throw your liniments to the winds, if you expect them to rid you of the pangs of rheumatism. In fact, the sooner you discard forever the use of all forms of local treatment, the sooner you will get on the right track which leads to rational means of relief.

For you can rub and rub from now until doomsday, and you will never make any progress toward ridding yourself of rheumatism, because such treatment does not approach the source of the disease.

Remember from the outset that the pangs of rheumatism come from a deep-seated cause, and that simply rubbing the painful parts of the body has no effect on the disease itself. But when you locate the cause of the disease, the real source of all these intense pains, you can then treat the disease intelligently.

And until you do treat your rheumatism intelligently, you will

never be free from its disabling pangs.

So many people have found real, genuine and lasting relief from rheumatism by purifying the blood with S. S. S. that we are justified in recommending this splendid remedy to all who are afflicted. Perhaps your case is like thousands of others which are caused by millions of tiny disease germs in the blood. S. S. S. so thoroughly cleanses the blood, that it routs out completely and eliminates all disease germs that infest it.

In this way the source of the disease is reached, and its cause removed. Give your system a thorough cleansing with this reliable vegetable blood remedy, and you will be delighted to be free of the pangs of rheumatism. It has been used for more than fifty years and is sold at all drug stores. Begin its use today and you will have the same satisfactory experience as thousands of other sufferers.

Should you wish special advice about your own case, it can be had without cost by writing to Chief Medical Adviser, 101 Swift Laboratory, Atlanta, Ga.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
