

# PRICE

Nothing is more uncertain these days than "price." The price of any article today, is liable to change within an incredibly short time. This is true in practically all lines of merchandise. Only one thing regarding "price" is reasonably certain, and that is, that whenever any change comes it is sure to be "upward." Fortunately for this store and its patrons, we protected ourselves against unusual price conditions by placing early and extensive orders with the result that now, much of our merchandise is being sold to you at prices lower than today's market justify. We always give you the best for the price, no matter what the price.

### SAGE TEA DANDY TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTER TO HAIR.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old fashioned Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.
