

ROAD BILLS SEEM SAFE IN STATE VOTE; OTHER MEASURES PROBABLY DEFEATED

PARTIAL RETURNS FROM THIS COUNTY INDICATE DEFEAT OF MOST MEASURES ON BALLOT

Complete returns from 34 out of the 64 precincts in Umatilla county indicate the defeat of most of the measures on the ballot yesterday, as far as this county is concerned. Excitements were made in favor of the six per cent road amendment, the soldiers' educational bill and the market roads bill. All other measures had negative majorities.

Following is the summary of the vote from 34 precincts as compiled by the East Oregonian: County bonding—Yes 551, No 521. Reconstruction hospital—Yes 429, No 548. Irrigation guarantee—Yes 466, No 575. Five million amendment—Yes 436, No 584. Lieutenant governor—Yes 418, No 585. Roosevelt highway—Yes 482, No 515. Reconstruction bonding bill—Yes 428, No 591. Soldiers' educational aid—Yes 563, No 495. Market roads tax bill—Yes 527, No 495.

The vote in the various precincts shows startling variations in sentiment, as will be seen by the tabular vote by precincts given elsewhere. The gathering of returns was retarded today by the fact that many of the election officials in violation of law locked all their records in the ballot boxes, failing to keep out a tally sheet giving the results of the vote.

Pendleton Voted "Yes." Generally speaking Pendleton people voted affirmatively yesterday though the vote shows that less than 15 per cent of the registered population turned out to vote.

On the first measure relating to the \$5,000,000 reconstruction bonding amendment the vote of Pendleton's 13 precincts stands, Yes 211; No, 188. The vote on the Roosevelt highway was Yes, 221; No, 187. The market roads tax bill had a good majority here the totals being, Yes, 246; No, 142.

The lieutenant governorship proposal lost out here eight precincts voting negative majorities while five precincts favored the amendment. The vote stood, Yes, 169; No, 213. The irrigation interest measure was rejected in Pendleton the totals on the measure being, Yes, 178; No, 188. The soldiers educational measure was given a heavy majority in the city.

ALL ENGLAND CELEBRATES BIG PEACE DERBY

"Grand Parade" Wins Blue Ribbon on Turf; Major Waldorf Astor's "Buchan" Next

SPORTING HUMANITY THROWS TO DOWNS

LONDON, June 4.—Grand Parade won the derby. Buchan was second. Thirteen horses started. Epsom Downs, June 4.—(United Press.)—After four years of war-absence and unsatisfactory substitutes, the historic Derby, the "blue ribbon" of the English Turf, was run for today and sporting Britain turned out in record-breaking crowds to participate in what is more of a national institution than a mere horse race meeting. The pre-war spirit of carnival reasserted itself, and from an early hour this morning all roads led to Epsom, the little Surrey town about fourteen miles out of London. Every thoroughfare and byway leading from London, Brighton and nearby centers bore the old-time "Derby Day" aspect and the 1,000 automobiles of the wealthy sporting and society leaders jostled the "coaster's" donkey-barrow and brake loads of humbler enthusiasts. Special trains emptied masses of sporting humanity, and holiday-makers, who hardly knew a horse from a donkey, at the three stations near the track and by midday the streets of Epsom (Continued on page six.)

URGES SAFEGUARD OF CALIFORNIA INTERESTS

JOHNSON AMENDMENT WOULD KEEP JAPAN PROBLEM FROM LEAGUE. WASHINGTON, June 4.—Amendments to the league of nations covenant to safeguard the Americas and particularly California's interests will be offered by Senator Johnson, he announced today. He will seek to amend the covenant so Japan cannot put the California alien land law, immigration of the Japanese or California school legislation relating to the orientals before the league. "These questions belong to the people of California," said Johnson. "They and they alone have the right to settle them. If the league becomes a fact Japan will seize an early opportunity to bring the land law and immigration controversies before it. Despite what the league advocates to the contrary the league will assume jurisdiction and will pass upon these purely domestic questions if they are raised. This means matters which California has a clear right to settle for itself, according to its own welfare, will be settled by foreign diplomats who see the governments have secret treaties with each other."

CRIMINAL CHARGES FOLLOW WEDDING OF 14 YEAR BRIDE

Trouble looms large for John Christian Zoller, of Duncan, married Saturday night at North Forks, to Little Miss Katy Muriel Thurston, who, her father, Frank Thurston, says is not yet 13 years of age. Mr. Thurston is in Pendleton today to take action against Zoller, who is 40, and a man named James Snyder. Zoller, accompanied by a man giving the name of Tom Mooney and his home as Arlington, procured a marriage license Saturday afternoon at the county court house. Zoller produced a note, signed with Mr. Thurston's name, saying the girl is of age and had his consent to marry. Mooney signed the affidavit that he personally knew the girl to be of legal age. The couple was married that evening under the trees at North Fork by the Rev. J. E. Ireland of Pendleton. Mr. Thurston declared today that Katy is but 14 years of age and that she was spirited away for the ceremony after Zoller and Snyder returned with the license. The order, purporting to have been written by him, when showed him at the county clerk's office today, was branded by Mr. Thurston as a forgery and he said he had never seen the paper before. "Mooney," who is thought to be an alias, is alleged to have perjured himself by the affidavit saying the girl is more than of legal age. According to the father, the couple has taken a house at Duncan and he has refused his admittance. He has tried to get to talk to his daughter, he told County Clerk Brown today, but could not get her to come out of the house or let him in.
