NEWS NOTES OF PENDLETON

Allen Simpson Returns.

Allen Simpson, who has been in the United States navy for the past two years, aboard the U. S. S. Allen, has returned to Pendleton, having received an honorable discharge. During Simpson's navy service he spent some time near South America.

Former Y. M. C. A. Man Here.

Harold Booth, well known traveling salesman who visited Pendleton for many years before he entered the Y. M. C. A. service, has returned from overseas where he spent 13 months as a Y man. Mr. Booth is well known here. He is registered at Hotel Pendleton.

Milton Man Lands in New York.

Archie Hopkins of Milton, who has been in France as a member of the United States army, landed in New York yesterday aboard the U. S. S. Mount Vernon. He came over as a casual and has not yet been assigned to a camp.

George Hoch to Spend Furlough Here.

George Hoch, who as chief yeoman on U. S. S. Brooklyn has been in Japan and China, expects to spend a furlough soon with his mother, Mrs. Mary Hoch, of Bingham Springs. The Brooklyn is to be at San Francisco and Hoch hopes to be here by July 4.

New Employe at Hamley's.

David Hensler, of Dapid City, South Dakota, is a new employe at the Hamley and Co. Saddlery and began his duties yesterday as a saddlemaker. Mrs. Hensler accompanied her husband here and they will make their home in Pendleton.

High School Boilers Repaired.

Men are at work in the high school building tearing out the front of the fire box to determine what repairs will be necessary to the heating system. A report is expected in a few days from Raymond W. Hatch, architect, regarding the number and kind of repairs the schools will require.

Victory Bonds Still at Par.

Buyers of Victory bonds are holding onto their certificates in better style than was true in former loans, according to local bankers, who give as the reason the maintenance of the par value for the bonds. There has been more demand for new bonds from persons who were not in position to buy during the campaign than there has been offering of bonds to the banks, they say.

Gets Repairs Permit.

One permit was issued by City Recorder Fitz Gerald today, it being to Laura D. Ray for repairs to a dwelling, the cost to be $50.

Insurance Takes Sharp Drop.

Grain insurance has gone from $1.50 per $100 to 66 cents, N. J. Blydenstein of the Umatilla Flour and Grain Co., received notice today. The risks have been found to be much less this year, he said, and as a result all terms are considerably better. Reductions in grain insurance have been announced by all the big companies handling this line.

Good Concert Is Rendered.

Pendleton citizens who braved the threatening weather last evening were given their usual weekly band concert in the Pioneer Park stand and the concert measured up to usual standards. Earl Sawyer, cornetist, led the band, which had an excellent turnout of members. Ten popular numbers were given, ending with the Star Spangled Banner.

Invited to Odd Fellows' Meeting

Henry J. Taylor, past grand master of the Oregon Odd Fellows, today received an invitation to deliver an address at the district convention of the order to be held at Union on Wednesday and Thursday, June 25 and 26. Mr. Taylor said today that he probably would accept the invitation and deliver a talk on Odd Fellowship.

Pool Being Filled Today.

Pendleton's municipal natatorium is being filled with wkater and if the weather is warm Saturday it will be opened to the public, Mayor Vaughan said today. The place has been cleaned up and put in readiness for the summer season and a successful year is looked for. The nat will be operated on the same basis as last year, with John Brown in charge.

Everyone Welcome to Picnic.

All farmers and friends of farmers, whether members of the Farmers' Union or not, are welcome to attend the picnic to be held by the union at the old agency grounds on the reservation tomorrow. Everyone will bring a basket lunch and an informal program will probably be arranged, although no definite arrangements have been made for a program.

Frank Wamsley Dead.

Frank F. Wamsley, for the past 15 years passenger agent at various offices for the O.-W. R. & N., died Wednesday night at his home in Seattle, according to word received in Portland Thursday. Mr. Wamsley was 55 years old. During his service with the railroad company he served at Pendleton, Spokane, Tacoma and Seattle. He was agent at Seattle at the time of his death.—Portland Journal.

Carnival Shows Barred.

The Hula Hula show and the diving girls' show, which did a land office business at the great Alamo Shows here last week, were barred in Portland after two days' appearance as part of the "Lane o' Laughter," a feature of the Portland Victory Rose Festival. The following games were closed also: Spin wheel games, marble games, table spin wheels, dart games, horse race, fish games, cover spot games, astrologist and dice games.

Spring Wheat Doing Well.

Spring wheat, of which little has been reported, is said by W. W. Harrah, of the Farmers' Union, to be doing excellently and, with rain possible in the coming few days, would produce an especially good yield. The grain was put in late to prevent its damage by frost, Mr. Harra says, while in some places winter wheat, already headed, was slightly retarded. Umatilla county has not a very large spring wheat crop this year, Mr. Harrah's 400 acres being one of the large areas in.

Clark Burgard Decorated.

Lieutenant Clark Burgard, who will be remembered in Pendleton as one of the men who spoke here with the Liberty Loan trophy train, has been awarded a distinguished service medal, on citation from General Pershing. The citation says that at Epinonville, France during the Argonne fight, Lieutenant Burgard as liaison officer of his battalion, surprised the enemy as it was bringing up machine guns to sweep the American position with destructive fire. Seven Huns were killed, 43 captured, and their plans to surprise the Americans frustrated through the prompt action of the young officer.

Two Recruits in Less Than Week.

Two men, both former service men, have joined the United States army since the recruiting office opened here last Saturday. One is Philip J. Guynne of Wasco, who spent 18 months at Camp Lewis as a member of the 13th Division, and who enlists with a view to being sent to Alaska. The other is John Martin, of Walla Walla, who was a soldier at Camp Upton, Long Island, and who was so disappointed because he was not sent overseas that he is enlisting as an engineer of the A. E. F. Guynne will go to California and from there to Alaska, while Martin will be sent to California and then to Camp Meade. From there he will go over seas with the first 1000 men. Sergeant J. White, in charge of the recruiting office here, will leave tonight for La Grande for a few days' recruiting duty.

Water Denied Delinquents.

The city water department today shut off water service from a number of homes where the owners have been delinquent in paying their water bill. The tenth of the month is the final day of grace allowed and the men now have a list of those who are to be denied service. Perhons shut off from the mains must pay $1 fee to have service restored, beside paying all back rent due.

Initiation Put Over for Week.

Owing to absence from the city of Exalted Ruler L. D. Drake, the initiation of new members into the Elks' lodge was postponed last night until next Thursday. Other officers were also among the missing. The meeting was followed by refreshments and music furnished by Fletcher's orchestra.

Alleged Speeder Denies Guilt.

B. Lawrence, arrested for alleged violation of the speed limit within the city limits, today pleaded not guilty before Police Judge Thomas Fitz Gerald and his trial was set for 2 o'clock this afternoon. This is the first case where an arrest for speeding has been followed by a not guilty plea and request for trial.

Nat Is Full; Open Saturday.

Water has been run into the city plunge at the Round-Up park and is ready for use tomorrow if weather conditions do not make swimming out of place. The pool has been placed in first class shape and for the remainder of the summer is expected to be a mecca for the aquatically inclined.

Ryan-Dickerson Case in Court.

Arguments in the boundary dispute case of Michael Ryan vs. Sims Dickerson are being heard before Circuit Judge Gilbert W. Phelps today and the case is not expected to be settled before night. Several witnesses were examined by both sides today. The plaintiff is represented by James A. Fee and S. D. Peterson, while Will M. Peterson and Edward J. Clark are appearing for the defendant.

School Board Members Confer.

Members of nearly ten county school boards are in Pendleton today for a joint meeting to talk over school matters for the coming year. Directors from both the east and west end of the county are here and are exchanging ideas and conferring with County Superintendent W. W. Green. Among those in town are I. B. Seavey, principal at Milton, Bob McEwen and Henry Growth, directors of District No. 31, and C. A. Brownell of Umatilla.

Petitions to Sell Personal Property.

A petition to sell personal property belonging to the estate of Farmer M. Edwards was filed in probate court today. Owing to the absence of County Judge C. H. Marsh, no order was executed.

Fined for Disorderly Conduct.

A man giving his name as John Jones today paid a fine of $10 in police court for disorderly conduct last night. The report of the affair is that three men, some liquor and a pair of pugnacious minds led to a fight. Others in the melee were out of town today but are expected to be called before the judge.

Archibald Blakeley in Hospital.

Archibald Blakeley, son of Mr. and Mrs. Joe Blakeley was operated upon yesterday at St. Anthony's hospital for adenoids and tonsils.

721 Main Pendleton, Oregon

Our supply and repair business is incidental to our business of selling cars.

In other words we do not have to depend on repair work and sale of supplies for our entire profit.

This fact is all to your advantage. We can save you money and we do it.

At the same time we guarantee you the best there is.
