Milton School Budget Increased by \$3600

(East Oregonian Special.) MILTON, June 19.—With a budget calling for \$3600 more than the estimated expense of 1918 as presented by the school board to voters in district No. 31 at the annual school meeting held Monday afternoon, a special election has been called for July 1 when the voters will be asked to approve the proposed increase in expenses of the district schools for the year 1919. The increase in the budget is caused by the proposal to include in the course of study next year a domestic science course which is estimated at \$1500, a music teacher for the grades at an estimated expense of \$1000 and \$1000 for an additional teacher under the federal Smith-Hughes act. H. R. Van Slyke of Freewater, was unanimously elected as a member of the school board for the ensuing three year term, taking the place of C. A. Norman who had let it be known that he would like to be relieved of further duty on the school board. Cyril Sykes, former Milton boy who has been in the flying service in England returned to Milton Monday of this week where he will spend some time visiting friends before going to Corvallis to visit his parents, Mr. and Mrs. F. A. Sykes. Mr. and Mrs. N. T. Mansel of Halfway passed through Milton today en route home from Portland. They were accompanied by their son Dorlan who was recently discharged from army service. Attorney C. B. Bishop of Freewater, is busy this week trying several damage suits in Walla Walla.

Diamond Adjustment Mileage Marked Up

Fabrics 6,000 Miles Cords 8,000 Miles

Of course it's big mileage for adjustment, but any long-time Diamond user will tell you that with square usage it's the minimum you'll get from Diamond Tires.

We have marked up our adjustment mileage because Diamond Tires have been rounding out more and more mileage till Diamond's policy of fairness to the user demanded adjustments worthy of the performance of the tires.

The new adjustment figures are just another proof of the established fact that Diamonds are the User's tires.

NOTE. The new adjustment basis stands back of all Diamond Tires in hands of user or dealer.
