

PENDLETON CELEBRATES JOYOUS BUT NOISELESS VICTORY FOURTH OF JULY  
R-34 OFF NEW FOUNDLAND THIS MORNING

AIRSHIP HAS SUCCEEDED IN LONG FLIGHT

LONDON, July 4.—The British dirigible R-34, was about 250 miles off the coast of Newfoundland at 3 this morning, Greenwich time, the air ministry announced. The report announcing the position indicated the craft had veered to the southwest, and probably will start for the eastern coast of Newfoundland.

At 7, Greenwich time, the R-34 was reported about 200 miles off the Newfoundland coast and 225 miles northwest of St. Johns, indicating the craft was still bearing to the south.

BOUNTS TONIGHT MADE LEGAL BY CITY ACTION

The boxing matches scheduled for tonight in the Oregon theater were legalized last night by the creation of a boxing commission by the city council in special meeting. The commission was created in accordance with the state law and the personnel named: Guy Mallock, W. H. Sheehan and Dr. George H. King are members of the new commission.

The three bouts this evening mark the revival of the boxing game here after several years' ban. It is made possible by the recent enactment by the legislature of a law permitting regulated boxing, under a local commission.

Frankie Lough and Buddy Stevens, lightweights, meet in the main event, followed by a ten round affair. Both boys are fast steppers and have met neither man in California, although a good one has met before. Lough is from Portland while Stevens is a local boy.

Two good preliminaries are on the card tonight, both six round affairs. One is a middleweight bout between Perry and Sailor Owens, 170 pounds, who will battle for supremacy of battle-when he faltered on the last few notes of the shipyard. The bouts will start at 8:20, doors to be open at 7:30. The soldiers were "goin' to go."

When one of the buglers in the card tonight, both six round affairs, ranks of the soldiers played mass call Ferry and Sailor Owens, 170 pounds, before the start of the parade he nears, will mill a heavyweight go andly created a riot. Some of the boys Quilivan and Morris, at 160 pounds, just couldn't keep their feet still and will battle for supremacy of battle-when he faltered on the last few notes of the shipyard. The bouts will start at 8:20, doors to be open at 7:30. The soldiers were "goin' to go."

Lee Gates, brother of the injured man, was bruised and shaken up but was able to be out today and swear out a complaint against hCallifee and his companions. It is alleged that the latter were driving recklessly and some members of the party had been drinking. Raleigh Moon, one of the Challifee party, was arrested by Chief of Police Roberts charged with being drunk and disorderly and using abusive language and spent the night in jail. He was released on \$50 bail this morning.

LUMBER BILLS HELD UP PENDING INVESTIGATION BY COUNTY OF PRICES

Lumber is costing the county altogether too much to suit the county commissioners and as a result all bills for lumber delivered in June were ordered not paid yesterday. Both Judge Marsh and Commissioner G. L. Dunning declare that they believe certain dealers are asking unreasonable prices for their material and they will not check the bills until they have been brought down to a fair figure.

ANTI-FIRECRACKER ORDINANCE STANDS, FOURTH "NOISELESS"

The anti-firecracker ordinance came through unscathed at the special session of the city council last night and Pendleton is supposed to be undergoing a noiseless Fourth, although the sale of fireworks has not been curbed. Chief of Police Roberts issued instructions to the force to stop any violations of the ordinance. No fireworks pageant has been arranged by the committee for tonight and the only aerial illumination will be the flaring Roman candles and rocket display of the small boy remote from Main street. Firecrackers have not been popular thus far, the torpedoes being most in demand.

KAISER WILL BE TRIED FOR RUTHLESSNESS

LONDON, July 4.—The former German kaiser will be charged with violation of the neutrality of Belgium and Luxembourg, it developed today, following Premier Lloyd George's announcement that the kaiser will be brought to trial. Five judges from the United States, Britain, France, Italy and Japan will try his case and all the allies will join in the request to Holland to deliver Wilhelm to an allied committee which will be formed to frame the procedure of the trial. There is no precedent by which the trial can be conducted.

News Was Surprise

PARIS, July 4.—Lloyd George's announcement that the former kaiser will be brought to trial was a complete surprise to the peace delegates here, it has developed. Although George's landing is chairman of the committee on responsibility for the war he had no knowledge of plans for Wilhelm's trial until he read them in newspapers. It is not known here whether Lloyd George is playing politics or is announcing a serious decision of the big four.

First in Line for Battle Ticket is Pickpocket Victim

TOLEDO, July 4.—The first man who bought a seat at the Richard arena after having stood in line before the booths since 4:30, tranquilly left the booth and went for a walk. When he reached for his ticket a few minutes later it was gone—the property of a pickpocket. The unfortunate man, Harold Carter, the son of a grocer of Monmouth, 40, did not call the police, nor set up wild howls. He just fell in line again to buy another ticket.

Riverside park was filled all night with transients who declined to pay the high price for beds. When one of the buglers in the card tonight, both six round affairs, ranks of the soldiers played mass call Ferry and Sailor Owens, 170 pounds, before the start of the parade he nears, will mill a heavyweight go andly created a riot. Some of the boys Quilivan and Morris, at 160 pounds, just couldn't keep their feet still and will battle for supremacy of battle-when he faltered on the last few notes of the shipyard. The bouts will start at 8:20, doors to be open at 7:30. The soldiers were "goin' to go."

EMPLOYEES OF COUNTY WANT SALARY RISE

Salary increases were asked yesterday by all county employees except elected officials and the petition is now in the hands of the county commissioners for decision. Raises of from 10 to 15 per cent are desired although no definite figures was incorporated in the petition. The upward trend of living costs and the scale of salaries offered elsewhere for similar work brought about the petition. Several of the employed officials have received better offers from private corporations in the past but hoping that Umatilla county would follow the precedent of Multnomah and other counties in the western part of the state, have remained on the job. The sheriff's office, which employs three deputies, pays \$135 to the chief and \$120 to the other deputies; the deputy county clerk gets \$125 and the stenographer \$85; the stenographer in the assessor's office gets \$125, the janitor gets \$90 and \$125 is allowed for help in the recorder's office, although the stenographer is not getting that much at present. The janitor was the only employee who did not affix his name to the petition.

Alleged Auto Thief Returned; to Plead Not Guilty, Report

Sheriff T. D. Taylor returned this morning from Miles City, Montana, bringing with him Robert Grant, charged with stealing the Hudson car owned by J. B. McCook of this city. The car was stolen from in front of the Oregon theater on the evening of April 18, and was recovered in Miles City, June 25. Grant, it is reported, plans to plead not guilty. Sheriff Taylor said the recovered car for Mr. McCook while in Montana, as the latter had purchased a new machine since the disappearance of the car.

HERE ARE THE PARADE WINNERS

Following are the prize winners in today's parade: Fraternal floats, Pendleton Elks lodge. Business floats, Peoples Warehouse. Honorable mention, Alexan. Plug utilities, Lester Starba. Pleasure cars, Mrs. Charles E. Bond, Honorable mention, Dr. F. L. Ingram, A. L. Frenzel.

ODDS 5 TO 4 ON CHAMPION AS WILLARD MEETS DEMPSEY FOR 12 ROUND BOUT TODAY

TOLEDO, July 4.—Age flung a challenge to youth in Toledo today, and youth flung it back. Jess Willard, 38 years-old, heavyweight champion of the world, met Jack Dempsey, 24, in a scheduled 12 round bout for the pugilistic title, in the greatest arena ever constructed.

FIGHT RETURNS

In accord with its policy of going to press at noon on all big holidays so as to give employees a half holiday the East Oregonian is being published today at 12 o'clock. Owing to this fact the returns from the Willard-Dempsey fight cannot be carried today. The report will be bulletined this afternoon at the Coky cigar store and will be published in the regular edition tomorrow.

CELEBRATION SPARKLERS

Until 9 a. m. today the presentation of "The Spirit of '76" in the Victory parade hung in the balance because of the non-arrival of the costumes. Bob Fletcher finally made a personal tour to the post office and discovered that the package which had been addressed in care of the East Oregonian had been, because of illegible writing, mistaken for a package for the Eastern Oregon State Hospital. The cocked hats, coats, etc., were rescued and the day was saved. Besides the American flag, which appears everywhere—on cars, floats, in windows and as a decoration for store buildings—the French, English and Belgian flags are also in evidence. New American flags have in many cases replaced the tattered colors which have been flying from the tops of local buildings. John Gurlane, aged 55, is the oldest G. A. R. veteran in Pendleton. He fought at Shiloh, Vicksburg and Atlanta, and was in many skirmishes. He marched with Sherman to the sea. The veteran lost one eye fighting in the Civil War and was wounded also in the leg and in the neck. In spite of his age, Mr. Gurlane is attending the Victory celebration today and is taking a keen interest in every event. Last December he was unable to attend the celebration here because of a slight cold, but his health is excellent today. Walla Walla held her Victory celebration last week upon the arrival of the men of the 149th and for this reason Walla Walla is not officially celebrating today. This has resulted in the arrival of many auto loads of Walla Walla people for Pendleton's Fourth.

THE FOURTH ON THE RHINE

SPIRIT OF PATRIOTISM MARKS PARADE; SERVICE MEN DRAW MOST CHEERS

Led by the "Spirit of '76" but full of the spirit of '19, Pendleton's first Victory Fourth of July Parade revealed its way along streets with admiring thousands at 10:15 this morning. It was a mile-long procession of soldiers, sailors and marines of the recent war, patriotic floats and works of art on wheels.

CELEBRATION SPARKLERS

And while hundreds cast care aside to celebrate and then stopped to remember the scenes which had passed, there were still the smiles on every face. They were smiles of pride, of thanksgiving, for the men who fought the fights and came back, for the victory they won and for the peace which they made possible.
