of your will is a strong bank equipped by experience and organized especially to handle trust affairs.

If it is desired to keep an estate under the supervision of a personal friend or relative, appoint him co-executor with this bank. This relieves him of most of the burden, and yet avoids such dangers of individual trusteeship as illness or death, which may impair the value of the estate.

### Solving Your Hauling Problem

Quick delivery often makes the difference between profit and loss on the farm.

With a Republic Truck you can take your produce to the best markets and increase your profits.

But a truck must be built right to withstand the grind of heavy farm work.

Torbenson Internal Gear Drive applies the power nearer rim of wheel, gaining greater leverage. A separate I-beam axle carries the load and takes all load strain off driving mechanism. The POWRILOK delivers the power to the wheel that has traction and prevents stalling on soft ground, in mud or in snow.
