> Maryland Lawyers Favor Peace Pact

WASHINGTON, July 7.—President Wilson will present the lengue of nations covenant and the peace treaty in an open session of the senate Thursday, it was announced at the White House today. There has been some talk of his addressing a joint association left no doubt as to their session of the house and senate, but this will not be done as the senate, not the house has power to ratify the the house has power to ratify the trenty.

Nearly all busy people are happy.

Some men always do their best—including their best friends.

Ice cream soda is a popular interior decoration at the present stage of the game.
