Inside the heavy black line is the old empire of Austria-Hungary. Ihaded in is all that is left to be dominated by Austria, and this is addressed by the peace congress as the Republic of Austria. The dotted territory on the south is to decide by a "s.e whether it will be Austrian or Jugo-Slay. Old Austria-Hungary had 241.491 square miles and a population of 50.000.000. The Republic of Austria has about 29.000 square miles and a population of little over 7.000.000. The boundary given its approximately that which the peace treaty calls for. the exact lines on the south to be fixed by commission.

DODGE BROS. Motor Cars

The popularity of this sturdy car is growing daily.

The last two car loads were all sold before they reached Pendleton, and to date all of the cars which we will receive in the next car load are contracted for, as well as the second car load, except-, ing one.

Since the demand is so much greater than the supply of DODGE BROTHERS MOTOR CARS, you will have to speak quickly if you expect to be the owner of one of these dependable cars.
