KLAMATH FALLS HERD PLANS FOR CONVENTION

Round-Up Delegation Will go in Indian, Cowboy Garb; Program Ready.

Pendleton Elks are planning to attend the B. P. O. E. state convention to be held in Klamath Falls, August 14, 15 and 16, and in spite of the fact that the dates conflict somewhat with the Umatilla county harvest, there is every chance that this city will send a good delegation. Pendleton lodge is entitled to 20 delegates, besides an invitation to all Elks to attend. The local lodge has been asked to put on a stunt and tentative arrangements for the affair indicate that it will be presented in true Round-Up style, with the participants costumed in Indian and cowboy garb. The trip to Klamath Falls will be made by automobile and the Pendleton people expect to stop at various towns along the way to advertise the Round-Up. The Klamath Herald has asked that a list of the Pendleton delegates who will attend be sent them, as well as cuts of the prominent members of the lodge. Following is the complete program for the three days:
Thursday, August 14
Morning—Meeting of all delegates

by reception committee, upon the arrival of train and auto parties.

Registration at headquarters, in the Elks Temple. All Elks will receive badges.

2:30 p. m.—Ritualistic contest, Portland Lodge versus Medford Lodge, in competition for the "Kennedy" cup.

3:00 p. m.—Auto sight seeing trip.

8:00 p. m.—Grand Victory Assembly at Elks Temple.

Address of Welcome. Responses. Music by visiting bands. Patriotic address.

Friday, August 15

10:00 a. m.—Delegates session, Elks Temple. All Elks invited.

1:00 p. m.—Excursion to Harriman lodge, Pelican Bay, by boats and autos.

Evening—Barbecue of elk, real elk meat, donated by the State Fish and Game commission.

Vaudeville and stunts by lodges. Music and dancing.

Saturday, August 16

10:00 a. m.—Delegates session, Elks Temple.

7:30 p. m.—Grand Elks parade of all Elks lodges.

8:00 p. m.—Street carnival and dancing.

Feed barley
Price, Up 2¢

Two hundred one of August feed barley were sold at the Merchants' Exchange in Portland yesterday at \$52, or \$2 over Wednesday's bid. Offers for brewing barley ranged from \$62 to \$62.50. Bulk oats bids were 50 cents higher. Sacked oats and corn were unchanged.

REORGANIZATION OF NATIONAL GUARD ON

Oregon Assigned One Infantry Regiment, One Cavalry Troop, Six Other Units

WASHINGTON, July 18.—Final plans for the reorganization of the national guard on the 16-division basis with divisional areas, following the same limits as did those from which guard divisions were organized for service against Germany, were approved yesterday by Secretary Baker. State allotments show New York, because of its preponderance in population, will have the biggest part in the reorganized guard, six full regiments of field troops and 12 companies of coast artillery having been assigned to that state.

Pennsylvania is authorized to maintain four full regiments in addition to auxiliary troops, while Illinois is given three complete regiments and Massachusetts two.

The assignment to Texas of six full regiments of cavalry, besides four other regiments and auxiliaries, was considered significant.

Among the state assignments are the following:

Arizona, one squadron cavalry, one battalion field artillery.

California, eight companies coast artillery, one regiment infantry, one battery field artillery, one battalion engineers, one signal corps company (radio), one field hospital company, one ambulance company, two troops cavalry.

Idaho, one battalion infantry, one machine gun company, one company engineers.

Montana, two battalions infantry.

Oregon, four companies coast artillery, one regiment infantry, one battery field artillery, one company engineers, one ambulance company, one troop cavalry.

Washington, four companies coast artillery, one regiment infantry, one battery field artillery, one signal company (wire), one field hospital company, one machine gun troop.

Wyoming, one squad cavalry, one battery field artillery.

LOCAL G. A. R. MAN DIES IN PORTLAND

John W. Welles, veteran of the Civil war, died at the home of his son on Hancock heights, Portland, Wednesday afternoon. Mr. Welles was more than 82 years old, and his death was due to the troubles incident to age.

As a young man he emigrated from New York to Eastern Kansas with his only brother. In 1852 he enlisted in Company C of the Twelfth Kansas infantry and served his country for three years, until the close of the civil war.

Soon after his enlistment as a private he became sergeant major, and near the close of the war was appointed adjutant by the governor of Kansas.

For many years he was an active member of the G. A. R. and was a past commander of Kit Carson post No. 28 of Pendleton, where he formerly lived. He was also a member of the First Baptist church of Pendleton. For the past 15 years he had made his home with his son, Frank K. Welles, and had resided in Salem until a few months ago, when he came to Portland.

He is survived by his daughter, Mrs. Helen L. Waxham of Los Angeles, and only son, Frank K. Welles of Portland, and a grandson, Frank C. Elliott of Aberdeen, Wash.

The funeral services were held at Salem at 2 o'clock this afternoon and were in charge of Sedgewick post No. 19 of Salem.

Nose Spin Fatal To Army Aviator At Rockwell Field

LOS ANGELES, July 18.—Lieutenant Charles Gerald Mauzy, 25 years old, army aviator of Rockwell Field, San Diego, was almost instantly killed Sunday shortly before noon yesterday when his powerful Curtiss biplane went into a nose spin, with the motor running while 600 feet in the air, and crashed to the ground.

Mauzy fought desperately to right the machine and appeared nearly successful when the plane was just above the ground.

The plane burst into flames as it hit and the body of the aviator was badly burned.

After flying from San Diego to Hollywood field, Wednesday, Mauzy was preparing to return to Rockwell field with officers, in two other machines, when the accident occurred.

Threat at Hubby But Struck Passing Woman

PORTLAND, OR., July 18.—Mrs. C. Egan, 291 Third street, interrupted an argument with her husband Wednesday afternoon by hurling a flat file in his general direction, according to the report of Motorcycle Officer Schad, who was called to the scene. The file missed Mr. Egan but struck Mrs. D. Alwell who was passing the home, and inflicted a painful wound on her chest. Officer Schad took Mrs. Egan into custody, but when she agreed to pay Mrs. Alwell's medical bills, she was released.

COAL SHORTAGE IS FEARED BY EXPERTS

Shipments to Pendleton
Coming Well at Present;
Eastern Men Express Fear

WASHINGTON, July 18.—Answering congressional investigation of the coal situation, government officials and coal operators told the house rules committee today that a fuel shortage was impending.

"Coal men fear the situation may get away from them and that prices may rise \$5 or \$6 a ton," declared C. E. Leshar of the geological survey. "Their advertising of the situation is in hope that this may be averted, for they know that the condition would reflect on them."

Anthracite production since January 1 was 10,600,000 tons less than last year, and bituminous 74,700 tons, Mr. Leshar said, due to lack of demand.

"The only remedy for the consuming public is to lay in supplies now," he said.

No Shortage Yet.

That no shortage in coal is apparent yet in this locality is declared by R. E. Chloupek of the Smythe-Loneragan Co. That company is rushing 900 tons of coal to supply early orders and is getting about a car a day or more. There is prospect however of a shortage and an advance later. Therefore it is suggested to be a good policy to buy now.

MEDFORD DOCTOR FACES BAD CHARGE, LYNCHING TALKED

MEDFORD, OR., July 18.—Dr. Edward de Raymonte, who claims to be a former Russian officer and veteran of the Japanese Russian war, was in jail here today charged with an offense against Miss Jean Doe, an Applegate schoolteacher, 20 years old, whose correct name the authorities refused to divulge. At an early hour this morning Miss Doe appeared at the home of Dr. J. J. Emmens in a hysterical condition and related an alleged harrowing experience at the doctor's office, where she had gone for treatment.

Dr. Emmens at once called the police and Raymonte was arrested. According to the police Raymonte denied the charge and said the young woman, who was brought to his office at noon Wednesday, was in a highly nervous state and insisted on remaining there under treatment until early in the morning.

Raymonte came to Medford a few months ago from Portland, where he said his wife and children now reside. Because of the young woman's prominence and excellent reputation local feeling was high and talk of a lynching party led to special precautions being taken to guard the prisoner. The hearing was set for tomorrow afternoon.

Grape-Nuts

provides the elements needed to build strong, healthy bodies and brains.

"There's a Reason"

Running Water

THIS is the first improvement for any place. It increases the value of the property at once and brings conveniences that everybody wants. No house need be without running water—for a

Western Electric Water System

is easily installed and is an investment that will be quickly profitable. It saves the time and labor once spent in pumping and hauling water. It gives a constant supply of running water at all times. The system is automatic in operation and requires no attention at all to speak of.

You will be doing yourself a good turn by seeing the Western Electric water system in operation. Let us show you how the electric motor runs the pump; how the automatic control starts and stops the pumping without the touch of a finger. The pump runs like a self-winding watch—requiring nothing but to be used. Come in and see it work.
