That there is some fertile soil for bolshevism in Germany is certain, but the German people do not want so radical an experiment in government or economics, and would be quite con-tent with almost any regime which at, forded them an opportunity to get away from unemployment, disorder and discontent. RIDING IS ROUGH IN OLD BERLIN

BY CARL D. GROAT United Press Staff Correspondent.) BERLIN, July 25.—Paul Revere ras a great rider, and his famous light exploit in the highways and by

night exploit in the highways and by-ways of Massachusetts, already im-mortalized in song, was something both thrilling and praiseworthy. But, Paul Mad, a great advantage: he lived in a taxiless age especially a Berlin taxiless age. If Paul had been making his ride in a poet-war Berlin taxi, the poet would have had something more to write about. In fact, his refrain would have been vastly different. For instance, he would not have had to write, "Listen, my children, and you shall bear, etc."
