GERMANY , TOO, TIRES

TO GUI DOWN H.C. .

In a constant of 2.70 marks; potatoes in the doubtful if the experiment proves to 12 to 12 marks a pound in regular, weekly rations; foreign cooking flour, so plennings per puarter pound, instead of 250. For a family of five, the prospect of more and better food than has been the rule.

For a long time, the government has been struighling with the problem of high food costs. To some extent, it has been able to increase the amount to food available, because of the arrivals of American pork, bason and son. But, it has had difficulty in regulating prices and distribution innamuch as the illicit trade in foodstuffs has reached overwhelming proportions. The foreign of more pay and thereby the quicker zet order and stability in the nation.

For the second time in recent months it has offered lowered food prices to strikers as an inducement to return to work. It is entended as the stability in the nation.

For the second the in recent months it has offered lowered food prices to strikers as an inducement to return to work. It is schedule called for heavy appropriations wherewith to buy more products from the "aussland" and where with to offer them, at reduced rates to the populace.

The attempt at this time resulted the food minister was criticized in the recent assembly for having made in the food minister was criticized in the recent assembly for having made.

where with 10 offer them, at reduced rates to the populace.

The attempt at this time resulted from striking railwaymen's demands for higher pay. The government said that instead of giving more maney, it would give more and cheaper foodwhich is the same thing. Its proffered schedule included, foreign meat 180 to 5250 grams for 4.50 marks, instead of giving more of 11 marks and with the people charged for the came to California from Pittsburg.

American bacon, one half pound, 4 governmental outlay for added food—

The food minister was criticized in the recent assembly for having made in automobile and hurled beneath a Pacific Electric train. W. J. Parest. 30 years old, vice president of the Country. However, it was his only alternative.

How the experiment in reduced cost included, foreign meat 180 to 5 living will turn out remains to be 250 grams for 4.50 marks, instead of the country. However, it was his only alternative.

How the experiment in reduced cost included, foreign meat 180 to 5 living will turn out remains to be 250 grams for 4.50 marks, instead of the country. However, it was his only alternative.

How the experiment in reduced cost included foreign meat 180 to 5 living will turn out remains to be 250 grams for 4.50 marks, instead of the Cl. W. Hill Chemical company of Loss Angeles, was instantly killed here on Tuesday. The auto that hit Forest the recent prevailing price of 11 marks and with the people charged for the cause to California from Pittsburg.

PASADENA. Cal., Aug. 7.—Hit by m automobile and hurled beneath a Pacific Electric train. W. J. Parest. 30 years old, vice president of the Cl. W. Hill Chemical company of Loss Angeles, was instantly killed here on Tuesday. The auto that hit Forest the country of Loss Angeles, was instantly killed here on Tuesday.
