SCHOOL SHOES WORTH BUYING.

Why not buy your school shoes now, by so doing, you will save from 75c to \$2.50 the pair. Does it pay to buy good shoes? Let us prove to you that it does. Many a mother is troubled with bunions, corns, weak arches, etc, this has been caused by ill fitting shoes. You know how you have suffered and you don't want your children to have the same trouble. They wont have the same trouble, if you will buy the better shoe, and have them well fitted. We carry only the better shoe and if we cannot fit them right, we will tell you. We pay special attention to your child's foot.

It will pay you in the long run to buy the better shoe. They look well until worn out.

They wear very much longer.

They fit you and give comfort from the very first, and they always look well, making your other clothing look much better.

Note some of the different kinds we have.

For the high school girl and boys' we have the English shoe in dark brown, tan and black. We have priced these from the pair \$5.50 to \$11.00 In children's shoes we have them from the English

walking shoe to the Broadwalk in black, gray, brown and tan. Ask to see our "Tess and Ted" shoes for

We carry the C-Saw line of welt Broadwalk shoes in black and tan:

We have too many styles and kinds to quote prices here, but can always fit your child from \$2.50 to \$6 tne pair up to size 2.

See our window display for styles and kinds. We have children's dress shoes that are not displayed in window, ask to see them.
