

SOCIAL AND PERSONALS

Mrs. F. B. Boyd of Athena, arrived in Pendleton today from Portland. She is the mother of Mrs. James Sturges of this city and is a guest at the Sturges home on Monroe street.

Miss Opal Rice, of La Grande, who has been the guest of Mrs. James Hill for the past few days, left today for Portland.

Mrs. E. P. Tullock, Mrs. Charles Carter, Mrs. George Strand and Miss Norma Alloway formed an auto party that motored to Hiway Springs yesterday. They expect to return today.

Mr. and Mrs. S. G. Bryson and children have departed for their home in Losmore, California, after a six weeks' visit. While here they visited relatives in Pendleton and Mrs. I. M. Wilbur and Mr. and Mrs. W. N. Dethridge of Duncan. They also visited friends and relatives at Pilot Rock on their way home. This is Mr. Bryson's first visit here since leaving twelve years ago.

McPherson Circle Number 23. Ladies of the G. A. R., will meet at the home of Mrs. Meyers on 14th street tomorrow afternoon at 2:30 o'clock for a social meeting. A full attendance is requested.

Miss Marjorie Kay, of Salem, was a guest yesterday at the home of Miss Rena Hales of Pendleton, who was Miss Kay's sorority sister at the University of Oregon. Miss Kay left this morning for Denver, Colorado, to attend the national convention of Gamma Phi Beta. She will represent the Oregon chapter.

Mr. and Mrs. James McCreath arrived today from eastern Canada and the middle west to be guests at the home of their daughter, Mrs. Clyde Phillips. They expect to remain three weeks in Pendleton before leaving for their home in Portland.

Mrs. Myrtle Farley and daughter, Miss Sybil Farley, left today on 17 for a two weeks' visit in Portland with relatives. Mrs. Farley expects to join them in a week.

A charmingly appointed luncheon honoring Mrs. William M. Hord, who is leaving soon to make her home in Denver, was presided over yesterday by Mrs. Lee Moorhouse at her home on Water street. Covers were placed for Mrs. Hord, Mrs. J. T. Richardson, Mrs. L. L. Rogers, Mrs. H. E. Bickers, Mrs. J. E. Heistand and the hostess. Later in the afternoon Mrs. A. L. Schaefer and Mrs. Mark Moorhouse joined the guests and two tables of bridge were arranged for play. The pretty high L. Rogers, while Mrs. Hord received a dainty guest gift.

Mrs. Carl Breding and daughter, Wilma, are visiting at the home of Mrs. George Danbois, Mrs. Breding's sister, at Gooding, Ida.

Mrs. Lee Morgan, captain, and her team, were responsible yesterday for a delightful meeting of the Degree of Honor held at the Morgan home, 514 Cosbie. An interesting program of Victrola music and a reading "A Cold" by Mrs. Winnie Lincoln was presented and the afternoon was rounded out with the serving of dainty refreshments. Members present included Mrs. Ella Anderson, Mrs. Lee Morgan, Mrs. Ella Ross, Mrs. Anna Peterson, Miss Lizzie Peterson, Mrs. Agnes Williamson, Mrs. Anna Edmonds, Mrs. Carrie Dale, Mrs. Anna Goodman, Mrs. Lucile McFarland, Mrs. Lottie Long, Mrs. Gertrude Fisk, Mrs. Mary Stevens, Mrs. Myrtle Ferguson, Mrs. Lela Taylor, Mrs. Hattie Ferguson, Mrs. Celestine King, Mrs. Jennie Kennedy, Mrs. Anna McConnell, Mrs. Leota Brown and Mrs. Marietta Jones. The visitors were Mrs. Buffington, Mrs. Hascale, Mrs. Akey, Mrs. Hington, Mrs. Hascall, Mrs. Akey, Mrs. niece, Miss Chandler, of Baker, Miss Verna Taylor and little Miss Mable Ferguson.

Miss Edna Cook and Miss Alta Mentor left on this morning's train for Portland, where they will spend a week or 10 days visiting with friends and relatives.

Mrs. Anna Herrick and Miss Effie Jean Frazier have returned from a two weeks trip to Portland, Seattle and Victoria, B. C.

Mr. and Mrs. Clarke Nelson, formerly of this city, now of Portland, are now on a trip east and are visiting the principal eastern cities.

Miss May Sawyer has arrived from Waterloo, Iowa, for an indefinite stay at the home of her brother, Earl Sawyer. She may make her home in Pendleton. Miss Sawyer is a talented musician who plays both the piano and the steel guitar.

Mr. O. G. Hansen, of Ferdinand, Idaho, and Mrs. R. M. Thomas and family of Fredonia, are guests at the Charles Dickey ranch near Athena. Mr. and Mrs. Earl Sawyer and Joe Grinde motored to Athena Sunday and were dinner guests at the Dickey ranch also. Mrs. Hansen and Mrs. Thomas will visit Los Angeles and San Francisco before returning to their home.

Jim Hill expects to leave tomorrow night for a business trip to Portland. Mrs. T. S. Ball is among the Pendletonians registered at Hot Lake.

D. J. Anthony, of Reith, clerk of school district No. 35, was a visitor in Pendleton today on business.

Miss Nell Savvy, teacher of the school in District No. 110, near Pilot Rock, was in the city today. She opens her school on Monday Sept. 2. Although his name would indicate that he is going south, Ben North, of Portland, is headed east. He is at the St. George today.

A. Altman of the O.-W. R. & N. Co., is here from Portland.

C. A. Anderson of Pilot Rock, is registered in the city today.

Mr. and Mrs. R. Bock of Coquille, are tourists who spent the night here.

Miles I. Dann, representing Ingersoll-Rand Co., of Seattle, is here on business.

Clive Cheshire of Milton is a Pendleton visitor today.

Firemen May Use Gas Masks, War Dept. Will Sell Them at \$5 Each
WASHINGTON, Aug. 21.—Announcement of the coming sale at auction of 1540 sets of double harness and 110,000 new halter was made today by the war department. No minimum bid has been fixed and farmers and other users may offer proposals on any number their needs may demand. The stock is all stored at San Antonio, Tex.

On August 22 the department will offer for sale at auction at the Boston supply base, 16,000 dozen sheepskins and a quantity of "shearlings." The skins will be offered in lots of 1000. Still another item of surplus equipment, the sale of which is to be pushed, is gas masks. It has been suggested these be used by firemen, a recent test in New York City having proved very successful. A tentative price of \$5 each has been fixed. Several thousand gallons of "antidrip" a compound used for preventing metal 600 camp kettles will be offered at the New York zone supply office on Aug. 23, and preparations are being made to find a market for 4700 kitchen fire shovels, shored at Philadelphia.

CHARGES FIXED FOR TELEPHONE SERVICES

SALEM, Aug. 21.—Maximum service connection and moving charges for telephone companies operating in the state of Oregon, with the exception of the Pacific Telephone & Telegraph company, involving material reductions from the Burleson made charges, are fixed in an order issued by the public service commission today, effective September 1.

WORTHY OF RELIEF

WARSAW. — This lad is typical of the utterly destitute people of Poland to whom relief is being administered by the American Food commission. His bowl of bread and milk is his only food for the first three or four months. And the next step is a change of clothes.

September 1. Copies of the order are being sent to all companies affected, numbering some 300 independent lines, all of which have been released from government control and returned to jurisdiction of the state regulatory body.

Under the new schedule the charge for installing an individual or party line service in exchanges of 1000 or more subscribers will be \$3.50, the same as under the Burleson rate, but the charge for smaller exchanges has been reduced from \$3.50 to \$2.50.

Reduced From \$3.50 to \$2.50
The charge for installing extension stations in exchanges of 1000 or more subscribers is reduced from \$3.50 to \$2, and in exchanges of less than 1000 subscribers the charge is reduced from \$3.50 to \$2.

For establishing private branch exchange service the charge of \$3.50 for each trunk line connecting the private branch exchange with a central office and each telephone, except operators telephone sets, connected to the private branch exchange, remains unchanged in exchanges of 1000 or more in exchanges of less than 1000 subscribers the charge is reduced from \$3.50 to \$2.50.

For establishing service by the use of instrumentality already in place upon the subscriber's premises, and where no change is made in the type or location of these instrumentalities, to cover directory, switchboard and circuit expenses on each line, the charge is reduced from \$1.50 to \$1.

Charges Not Mandatory.
For moving a telephone from one location to another in the same room the charge is reduced from \$2 to \$1.

For moving a telephone from one location to another in the same building but not in the same room, the charge is reduced from \$2 to \$1.

For changing the type of telephone sets the charge is reduced from \$2 to \$1.

The Short Sleeve.
There is no question that a decided and persistent effort is being made to popularize the short sleeve, and it would seem that this mode is a pleasing one and necessary to introduce when apparently there will be but little change otherwise in blouses and dresses for autumn.

Rainbow effects are much in vogue and there are rainbow weddings now at which the bridesmaids all appear in gowns of the same design, but each in a different hue. And there are rainbow party dresses that are much in demand among the younger girls. But these rainbows are not always of the regulation sort. The people who plan them have a different color scheme.

Take for instance a very charming trousseau set offered in one of the smart shops. It contains a side from the usual supply of lingerie, so-called, all sorts of dainties for the boudoir—chaise longue cover, clothes hangers, shoe trees, cushions, bags, etc. These are developed in a rainbow that consists of pastel green, yellow, blue, ivory white and shell pink. Not a bad combination of colors, to be sure, and perhaps under the circumstances a better color scheme than nature's own.

Miss Amy Clark Dies Of Heart Disease in Portland Yesterday

Miss Amy Clark of Pendleton, aged 17, died suddenly of heart disease in Portland yesterday morning. Miss Clarke had been suffering from heart trouble for several years and with her father, W. H. Clark, had gone to Portland the day before in the hope of improving her health. It is thought that the trip was too much of a tax on her strength.

Miss Clark attended the Pendleton high school and was well known in the city. Besides her father, she is survived by her mother. Funeral arrangements have not yet been made. The body arrived this morning from Portland on No. 6 and is at Brown's undertaking parlors.

No Run Down Heels.
Shoes are not good fits that wrinkle anywhere. Wrinkles under the arch are caused by too low a heel or the lowness of the weaver. A higher heel will usually make a shoe fit better if the instep is low. This is especially true with a long, slender foot.

Thomas'
Fall and Winter Tailleurs
of Unusual Style Distinction

The return of the semi-tailored suits, modeled on simple, definite lines and the advent of the modish fur-trimmed costume is much in evidence in the new Fall styles. Featured is the new, short flaring jacket worn over a brilliantly colored waistcoat and skirt of gracefulness, or in smart contrast, the long slender coat and straightline skirt.

The FRANKLIN CAR
The Logical Choice of Busy People

It is quite noticeable that the Franklin is becoming more and more the favorite of the man or woman who does things.

The reason is simple.

In this car they find an efficiency, a riding comfort, an ease of handling, and a grace of design that are important added features to its remarkable economy—a steady day-by-day delivery of

20 miles to the gallon of gasoline—instead of the usual 10.
10,000 miles to the set of tires—instead of the usual 5,000.

Moreover, men and women of affairs must have a car that is instantly ready for service, and the Franklin Direct Air Cooling System eliminates the possibility of its being frozen into uselessness. The Franklin needn't be coddled—it is always ready to run—whatever the weather.

In crowded city streets or on rough country roads, the Franklin goes on its way lightly, surely, easily—without strain or pounding on its passengers.

A demonstration will prove what we say.

PENDELTON AUTO CO.
Established 1907

TWO LINES TO BE CLOSED OUT
at worth while reductions
