**Visits Brother in Salem.**  
Louis Steelhammer of Portland and formerly of Pendleton was in Salem Sunday night for a few hours visiting his brother Oscar Steelhammer, secretary of the Business Men's League. Mr. Steelhammer formerly made his home in this city.—Salem Oregon Statesman.

**Go East to College.**  
Thompson B. Elliott, of Walla Walla, was here yesterday afternoon on his way to Amherst, Mass., where he will attend Amherst college. He was joined on No. 18 by Raymond Fisher, of Tacoma, who is going to Boston to attend the Massachusetts Institute of Technology. Both were at the University of Washington last year.

**P. H. S. Cadets Formed.**  
Earl Fleischman of the high school faculty called a meeting of the boys yesterday to organize the cadet corps for this year. The officers which were appointed last year will take their places this year until others energetic aspirants prove themselves more efficient. Mr. Cramer laid down ten rules by which he will grade each boy, he credits ranging between three and five tenths according to his merits. The boys were then taken out on the lawn in front of the building and the two companies were formed.

**Three Hunters Get Deer.**  
Ed Johnson and Wes Noble, hunting in the Pierson Creek county, were each rewarded with a buck deer and have returned to the city with their game. Several friends enjoyed venison steak today as a result of their generosity. Col. J. H. Raley, in Grant Meadows, got the only other deer reported since W. D. Humphrey got the first of the season; J. H. Estes, who was with him has returned to the city.

**Idaho Legion Man Visits.**  
Pendleton was visited yesterday by LeVerne R. Collier, adjutant finance officer of the Idaho organization of the American Legion. Mr. Collier has been speaking through Southern Idaho and was on his way to the northern part of the Gem State to continue his addresses. He expects to meet Col. Theodore Roosevelt, Jr., at Coeur d'Alene and together they will tour Idaho. Mr. Collier promised to make every effort to bring the colonel here.

**Boosts Dairy and Hog Show.**  
Hermiston is to have a big three days for the dairymen and hog raisers of the county on October 22, 23 and 24, according to George A. Crosby and H. E. Ritt, who were in town yesterday. The show will take place during the last three days of the fourth week in October and the state dairymen's convention will be a feature of the Friday and Saturday sessions. There will be something of profit to everybody in the county there, the men declare.

**Paving Milton Streets.**  
Paving of 14 blocks on Main street in Milton has begun and 13 blocks on Mill street, paralleling it, are likely to be paved soon, according to P. A. Sandberg, city engineer of Milton, who was in town yesterday, accompanied by City Manager L. E. Coyle and City Attorney S. D. Peterson. A petition has been circulated for the paving on Mill street. Howard J. Knutson, known as Tex Winchester throughout this section, today began his duties as traffic officer for the city and county, succeeding H. E. Longley, resigned. Tex was a special courier in the motor corps for a time overseas and also took part in four major battles, for which he wears four stars on his victory badge.

**Colonel Newport in Portland.**  
By the end of next month the Columbia highway will be finished from Hepper Junction to Echo," reports H. G. Newport of Hermiston, who is at the Perkins. The Newport Construction company is just about finishing its 11-mile to Hermiston. The highway in that country is 24 feet wide with a 16-foot gravel surface. At every mile there is a turning place. Although building roads, Mr. Newport is more interested in the growth and development of Hermiston, which was once part of his homestead. He had built more than 200 miles of irrigating ditches in Umatilla county, and feels that he is doing his share every mile there is a share. Mr. Newport tells of alfalfa bringing \$100 an acre and of pears bringing \$200 for an acre and a half, and similar evidence of prosperity. He declares that the country is just bursting with prosperity, although in the early years of irrigation the pioneers there had hard sledding.—Oregonian.
