HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days—you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 18c and 25c. Take one or two nightly and note the pleasing results.

wood at the apartments of Miss Ida Boyd Wednesday evening to talk over matters of importance for the year's work. The organization and naming of classes was decided upon and the matter of a Christmas entertainment is to be brought up for decision at the next meeting which will be held the evening of the first Monday in November at the residence of Mr. and Mrs. George Hartman on Monroe street.

Mrs. Gerald Stanfield and small son Bobbie, of Vale, left this morning for Portland after a two weeks' visit here with Pendleton friends. Mrs. Stanfield, who was formerly Miss Gertrude Jordan, was during her stay in Pendleton complimented by a dinner given at the home of Mrs. Guy Wyrick by Mrs. Wyrick and Mrs. E. O. Parker. The fourteen guests present were old friends of Mrs. Stanfield's.

altitude, unable to see ahead and crashed into the mountain, completely wrecking the plane.

Lost Flyer in Race. CHEYENNE, Oct. 10.—Lieutenant Queens, listed yesterday as "missing" arrived here this morning.

Queens lost his way en route here from Rawlins yesterday. He descended at Sundown and resumed the flight this morning on receiving his directions from ranchers.

Lieutenant Maynard's engine which developed trouble when he was starting this morning, is baffling mechanics. Prospects of the "flying parson" taking the air before late this afternoon are not bright.

Disqualification Doubtful. CHICAGO, Oct. 10.—Stanley Knauss, representing the American flying corps, said he believes Lieutenant Maynard was not disqualified by flying 25 minutes after sundown, because he had been released by the control station for the flight.

VISIONS OF TRAGEDY ARE DISPELLED, BUT WHERE IS THE GOAT?
 Visions of a broken limb or a gunshot wound to one of their party, lost on Birch creek last evening in the fast gathering darkness set icy shivers fast trotting up and down the collective as well as individual spines of Brooke Dickson, L. C. Scharpf and Fred Lumpkin. For nearly an hour they retraced their steps up and down Birch creek, shooting and hollering for their lost huntsman, J. DeWilde.

After an hour they gave up in despair. Had he become lost, had he fallen and injured himself or had he been accidentally shot? The inability to learn of his fate caused them to shudder. He had been told of the time and place of rendezvous, but when roll was called none answered "here" to the name of J. DeWilde.

The huntsmen sought a telephone. They went to a nearby farmhouse and after much difficulty obtained connections with Pendleton. Then they called the De Wilde home. It was a ticklish situation, calling the wife of a lost companion to tell her and his five children that father had become lost. One in the party, more tactful than the others, suggested that they break the news gently, by asking for Mr. DeWilde as Mrs. DeWilde answered the phone.

"Is Mr. DeWilde at home?" the spokesman asked.

"Yes just a moment, I'll call him," was the reply.

The tenseness of the situation relaxed and the "lost" man told how he had despaired of finding the rendezvous but had hiked several miles on the road toward town, meanwhile being overtaken by an auto which gave him a lift.

The chief business of all today has been to try to decide just who was the goat.

A man who thinks more of a dollar than he does his self-respect, is insult proof.

The Paris

CHAMPION SINGER HAS 15,000 NAMES IN BOOK

LONDON, Oct. 10.—Reginald Bray claims to be the world's "autograph king," having secured the signatures of 15,000 celebrities since 1909, quite without influence.

His "bag" during the war includes President Wilson, signed at Paris; General Pershing, Marshal Foch and Field Marshal Haig; all signed on the battlefield; Admiral Beatty; signed on the Lion during the battle of Jutland; Admiral Jellicoe, signed on the Iron Duke; General Sir Stanley

Maude, signed at Bagdad; Marshal Joffre, signed at Buckingham Palace; Vedrines, the French "ace," and Madame Botchkareva, commander of the Russian Women's Battalion of Death. Recently an Australian soldier, Corporal S. H. Williams, walked into Buckingham Palace, asked for and actually secured autographs from King George, Queen Mary and the Prince of Wales; and this following many similar trips induced the "Digger" to claim the championship. But Bray says he has him beaten.

EASES A COLD WITH ONE DOSE

"Pape's Cold Compound" then breaks up a cold in a few hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the grippe misery.

The very first dose opens your clogged nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, contains no quinine—insist upon Pape's!

The Sweeper you've been waiting for—

Take the virtues of electric cleaners, add to them the convenience of ordinary carpet sweepers, remove the drawbacks of both and you have the new VACUETTE!

It picks up all dirt, lint, thread, hair and ravelings but requires no wires for electric connections. A strong suction lifts all dirt into the dust-bag, without spreading or dropping dust back on the floor. The wide low nozzle dives conveniently under heavy furniture. Strongly built and durable, yet light (6½ lbs.), a child can easily operate it.

Let us demonstrate the VACUETTE to you today.
