The Message to Garcia

Did Rowan spend his time making inquiries, fooling around and all that? Not much, he simply took the message of President McKinley, placed it in a watertight container over his heart, delivered it to Garcia, a leader of Cuban insurgents, and came back.

Can you deliver the message, can you deliver the goods? Of course you can; make up your mind to make good, work hard, be thrifty and save all you can.

Mont. architect, went on trial here today on a charge of polygamy. Mrs. de Snell is alleged to have married Anthony Dolecki here last March, under the name of Mrs. E. H. Overman. Dolecki claims his bride decamped the day of the ceremony with \$250 of his money, which he claims, taking also \$200 in thrift stamps, \$600 in mining stocks and considerable jewelry which, he claims, the woman secured at Portland stores and charged to his account. Dolecki alleges he married the Butte woman following a correspondence of six months which resulted from his reading the following ad. in a newspaper: "Butte, Mont.—I am an all-around business woman; make \$175 monthly; have \$17,000; am 42 years old; height 5 feet, 5 inches; weight 162; auburn hair, gray eyes, fair complexion; play piano and mandolin; widow by death; no children; very fond of home; wish to correspond with sober gentleman, not necessarily wealthy as I have more than enough to live on, so will not only marry for love and companionship."
