(East Oregonian Special.)
ECHHO, Oct. 30.—A defective flue in the residence of J. M. Equals on bridge street, was the cause of a fire about 10 o'clock Tuesday morning. The fire department was summoned immediately and it was only a few minutes work to

extinguish the flames. The loss was estimated at \$200, being mostly damage to clothes and furniture. No insurance was carried on the building. The family had just returned that morning from a short visit. Jess Mathes was in Echo, Tuesday from his home on Butter Creek. Millard Hewitt was a business visitor in the county seat, Tuesday. be announced later by Mr. Bennion. At the meeting Miss Elizabeth Sevance, principal of Umapine school, made a plea for the hot lunch at school as also did Miss Leora Philippi of the high school faculty. Football games are the rage at Umapine and Tuesday afternoon Walla Walla High second team defeated the local boys by 12 to 7. In the first half the Umapine boys scored but were unable to follow it up. Last Friday in a game with Whitman college team the score stood 6 to 4 in favor of Whitman. The opposing teams always seem a little the heavier and for the Umapine boys to make them contest every yard is encouraging. This is the first year of football here and the first games ever played with outsiders. On Friday Touchet comes to Umapine for a game. When the game was played at Touchet neither team scored, although Umapine was ahead on yardage.

Miss Della Perry and Miss Ada Doren of Farmington, Minn., were guests from Wednesday until Friday with their old friends Mr. and Mrs. C. W. Records.

W. H. Western father of Mrs. J. E. Jones, is not very well at this writing. On Friday night the freshmen of the high school entertained at a party while on Saturday the seventh and eighth graders also held a party at the home of Mr. and Mrs. W. O. Carpenter. Both events were a success.

Also on Friday night young people of this community enjoyed a dance given at the hall by Tom Fehrbacher. On Halloween another one will be given at the hall.

At noon the teachers of the school motored down for dinner of chicken, salads, pies, cakes and hot rolls.

Last Wednesday evening the Dan Kirks and the Kohn Baxters motored to Walla Walla and enjoyed an evening with the Elks. At least the men of the party did.

HUSBAND "KNEW IT ALL," WIFE GRANTED DIVORCE

SAN FRANCISCO, Oct. 30.—Mrs. Louise Rebecca Pabor appeared to be in earnest when she asked Judge Van Nostrand for a divorce. She certainly was emphatic when she told the court:

"Life was pleasant before marriage, but it sure is hell now." The plaintiff told the court her husband, Harry Pabor, a salesman, "knew it all" and became angry when she reminded him it was time to get up and flourished a revolver in her face. Divorce granted.

The first person cremated in America was Colonel Henry Laurens at Charleston, S. C., in 1792.
