NATION'S FUEL IS REDUCED BY TWO THIRDS IN FIRST DAYS OF MINERS' WALKOUT

TWO DEMOCRATIC, TWO REPUBLICAN GOVERNORS LEAD

Maryland Victory Disputed, Vote is Close; Ohio Drys Triumph in Emphatic Rejection of Liquor at Polls.

TREATY RATIFICATION IS MADE KENTUCKY ISSUE

Mayor Rolfe Re-elected by San Francisco, and District Attorney Fickert Who Prosecuted Mooney is Defeated.

BALTIMORE, Nov. 5.—Attorney General Hitchcock, democratic candidate for governor, carried Baltimore by a majority of 1,700. He has probably been elected.

NEW YORK, Nov. 5.—Two republican and two democratic governors were chosen in yesterday's elections. The battle in the fifth state, Maryland, was close, with both sides today claiming victory. Governor Coolidge, republican, was re-elected in Massachusetts over Long, democrat, overwhelmingly.

Edwin Morrow, republican, defeated Governor Black, democrat, in Kentucky after a hot campaign in which the ratification of the treaty in its present form was an issue.

Mississippi elected Lee Russell, democrat, governor, with the usual democratic majority.

Edward Edwards, democrat, apparently defeated Newton Bugbee, republican, for governor of New Jersey. Tammany candidates were defeated for the majority of important offices in New York City and county elections. Ohio drys triumphed over the wets.

SAN FRANCISCO, Nov. 5.—Brady defeated Fickert by 4,433 votes. Rolph's majority was 27,587.

Ohio Drys Win. CLEVELAND, Nov. 5.—Ohio again said "No" to liquor at the polls. She rejected it emphatically yesterday by a majority of between 60 and 75 thousand votes.

In no voting Ohio demonstrated according to the drys, the fallacy of the argument that returned soldiers are almost solidly in favor of the old wet days. It is estimated 150,000 overseas men voted on the question for the first time.

Returns, nearly complete, indicate they are about evenly divided.

Treaty is Issue. LOUISVILLE, Nov. 5.—In electing Edwin Morrow, republican, as governor, Kentucky delivered a rebuke to the government, republican leaders claim. In the closing 10 days of the campaign the republican openly attacked the administration for its efforts to ratify the treaty in its present form.

Fickert Defeated. SAN FRANCISCO, Nov. 5.—Mayor Rolph was re-elected and Charles Fickert, district attorney who prosecuted Thomas Mooney, was defeated for re-election, according to complete official returns of yesterday's elections here.

New Jersey Democratic. JERSEY CITY, Nov. 5.—The election of Edward Edwards, democrat, as governor of New Jersey, was practically assured when Pierre Garvin, republican, carried Hudson county by 39,000 votes. This county was believed to hold the "balance of power."

Tammany Hall Defeated. NEW YORK, Nov. 5.—The defeat of Tammany hall in municipal elections here yesterday is definitely established with complete unofficial returns for two of the most hotly contested offices, president of the board of aldermen, and president of the borough of Manhattan. Major Lamourd, republican, defeated Robert Moran, democrat, for the aldermanic office by a 1,363 plurality. Major Curran, republican, was elected president of the Manhattan borough over Edward Boyle, democrat, by a plurality of 1802.

HERMISTON POSTMASTER RESIGNS AFTER 5 YEARS. IS LEAVING FOR TEXAS. HERMISTON, Nov. 5.—J. H. Young who has been postmaster here for five years, has resigned and, with his family, will move to Wichita Falls, Texas. Mr. Young has been employed as general agent for the Holt Caterpillar company in 16 counties in Northwest Texas. Charles Skinner will become postmaster.

THE WEATHER FORECAST. Tonight fair and colder. Thursday fair.

BRANDS MAY HEAD NEW ROUND TABLE

WASHINGTON—Justice Louis D. Brandeis of the United States Supreme Court for head of the new round table, is the suggestion that has come from many sections of the country. Justice Brandeis before his appointment to the supreme bench was counsel for the people in proceedings involving labor laws in a number of states and in other important issues.

HIGH SCHOOL ELEVEN COMING BACK STRONG

Football practices at the high school are held each evening from 4 o'clock until dark in preparation for the games at La Grande and Baker, November 15 and 22, respectively. The boys are working like they have never worked before, according to Coach Fleischmann. The outlook for a late season come-back is taking on a more rosy hue.

PILOT ROCK FARMERS PLAN IMPROVEMENTS

Pilot Rock farmers adopted plans for several practical demonstrations of methods held in Pilot Rock last night, with Fred Bonham, county agent in charge. It was pointed out that lack of moisture and mud are two of the dangers which menace the wheat crop. Suggested remedies were fall versus spring plowing, disking, and formaldehyde versus bluebonnet treatment for treating wheat. A. J. Gill was appointed leader for the practical demonstration, work along these lines. He will also be active in the barley variety demonstration, work and will urge the farmers to use cost accounts and to compare profits from various varieties. H. I. Schiavel and M. B. Gilbert will be leaders for the wheat and barley projects.

FILMING OF ROMANCE FINISHED IN SUNSHINE

Filming of the scenes in "A Romance of Pendleton," the East Oregonian's photoplay of Pendleton life, was completed this afternoon under sunny skies. The faithful cast of local characters, delayed three days by incessant rains, remained to the last to make the picture a complete success. It will be exhibited at the Alvarado theatre next Monday, Tuesday and Wednesday, Nov. 10, 11 and 12.

SUSPECT OF SOLDIER'S MURDER GIVEN HEARING

Wallace W. Wilder, of Freewater, charged with the murder of Ralph McNeese, a returned soldier, six weeks ago, was taken to Milton today for his preliminary hearing before J. Stice of the Peace John Miller. He is represented by Will M. Peterson, of Pendleton.

NAVY BAND CONCERT HERE IS POSTPONED

The concert of the navy band, scheduled to take place here Friday and Saturday of this week, were postponed today. Announcement was made by Recruiting Officer R. Carr and confirmed by telephone by Commander J. H. Eider at Portland. The expense of bringing the organization here at this time was deemed too great.

PROPOSED APARTMENTS REST WITH COMMITTEE

The \$70,000 apartment house proposed by Dr. David H. Hill now rests with Dr. Hill and a committee of three, appointed from the Pendleton Commercial Association last night. The committee, consisting of George A. Hartman, Dr. F. E. Hayden and F. W. Dayton, held two meetings with Dr. Hill today relative to his request for donation of a building site by the business people of Pendleton.

ATTORNEY GENERAL'S UTTERANCE HAS SHATTERING EFFECT UPON CURRENT RUMORS OF SETTLEMENT

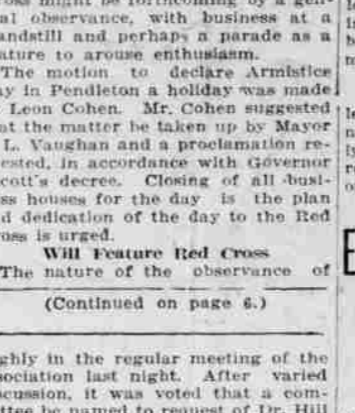

Ames' Statement Comes in Direct Reply to Assertion of Gompers Who Declares His "Abiding Faith" for Negotiated Peace if Injunction Against Leaders be Vacated.

ASSOCIATION ENDORSES OBSERVANCE OF NOV. 11, DATE OF WAR'S ENDING

Committee Appointed to Work With Red Cross in Swelling Red Cross Results; Celebration Considered.

Observance of Armistice Day, Tuesday, Nov. 11, was endorsed last night by the Pendleton Commercial Association and a committee consisting of E. J. Warner, Dr. D. B. Hill and P. W. Dayton appointed to work with the Red Cross toward making it a banner day for that organization's final day of roll call.

WASHINGTON, Nov. 5.—The coal strike has reduced the nation's fuel by two thirds, according to reports received here today. The coal strike is already beginning to affect other classes of workers, according to W. G. Lee, head of the Brotherhood of Trainmen today. He said: "Many hundreds of railroad workers have been laid off or put on part time as a result of the strike. One railroad has cut down its schedules to the barest minimum of dead freight, carrying only perishables, and necessities."

Hint Rebuffed. WASHINGTON, Nov. 5.—The government flatly rebuffed labor leader's suggestions that the coal strike might be ended if the Indianapolis injunction against it were vacated. Denouncing the strike as a "violation law" Assistant Attorney General Ames announced the government's determination to proceed against it in the courts as "long as it continues." His statement came in direct response to one from Gompers, who declared if the injunction were vacated he had "abiding faith" negotiated peace could be arranged between the strikers and operators.

Shatters Optimism. Ames' utterance is considered an indirect reply to hints coming from labor leaders' intimations that abandonment of the injunction suit would lead to arbitration. It had a shattering effect on "peace talk" which has been going around Washington for more than a day.

Deadlock Exists. WASHINGTON, Nov. 5.—It is learned at the white house this afternoon the government is standing firmly on its proposition that miners must return to work before abandonment of the injunction. A deadlock exists.

EVANGELIST SPEAKS IN STEADFASTNESS OF LOVE

Dr. S. J. Reid preached on the text "Friend," wherefore are thou come?" at the special service at the Baptist church last night. Dr. Reid explained that the words were the last appeal of Jesus to Judas when the betrayer sold his master and delivered him up to his enemies. "In this tender saying," said Dr. Reid, "we see how divine love persists to the last. Jesus calls Judas 'friend' even in the very act of betrayal. This shows that He will not turn away from us even if we betray Him." John Troy sang last night and was much enjoyed. Tonight Dr. Reid will speak on "The Greatest Agitator in the World."

EXPANSION OF PENDLETON POST, AMERICAN LEGION, RECEIVES UNIVERSAL ENDORSEMENT

Endorsements from Pendleton, Salem and Washington, have been received by Pendleton Post of the American Legion on its meeting for the purpose of expanding the membership to include all men who wore the uniform during the recent war. The open meeting will be held this evening in the assembly room of the county library at 8 o'clock. Congressman N. J. Simons said in a recent letter to the post that he derived great pleasure in endorsing the legion's efforts toward greater strength. He said that in Washington great weight attaches to recommendations or resolutions coming from the Legion, in legislative matters particularly. "I believe that this organization is going to be an important factor in the civic and political life of our country and that its future record will be like that of the grand army of the republic—one of patriotic achievement and making for civic betterment," he wrote. George A. Hartman, a lieutenant in the Spanish-American war and an active member of the local post of Spanish War Veterans, said: "The American Legion will benefit service men in this way: that the bonds of fraternity and patriotism it fosters will be cherished in later years. Men who faced dangers together have a feeling of brotherhood unlike that fostered by any other association. What the G. A. R. and U. S. W. V. associations are to veterans of the Civil and Spanish Wars, the Legion will be to the veterans of the recent war." Roy W. Rinker, who served as a captain in the Red Cross in France, declared that the legion can be and largely has been a great factor in allaying unrest and putting down uprisings which have followed the war in this country. He said that the service men had problems to work out still and could best handle them by organization. "I trust that your organization may be successful in its campaign for more members." Governor Ben Olcott wrote: "The legion may be a wonderful power for good. Made up, as it is, of the soldiers of our nation, it is representative of the highest type of our citizenship." Louis C. Scharpf, president of the Umatilla County Red Cross chapter, said: "A union of ex-service men can work wonders for themselves and the nation if they care to. Organization, such as the American Legion offers, appears to be the best method for asserting that power for good."
