SALTS IF BACKACHE AND KIDNEYS HURT

Stop eating meat for a while if your Bladder is troubling you.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them. Like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is had you have rheumatic twinges. The urine is cloudy, full of sediment, channels of the get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors.

G. W. Knight, retired farmer, 919 E. Court St., Pendleton, says: "For the past eight or ten years I have been troubled by my back. Sometimes I had pains across my kidneys and in my loins and sides. At such times my kidneys bothered me and I had to get up often at night to pass the secretions which were highly colored and contained a brick-dust-like sediment. Doan's Kidney Pills relieved the backache and the pains that had annoyed me and cleared up the kidney secretions."

SIX YEARS LATER Mr. Knight said: "I gladly confirm every word of my former statement concerning my experience with Doan's Kidney Pills. When I feel in need of a kidney medicine, I take Doan's Kidney Pills and they always do me good." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Knight had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
