GREAT FOR RHEUMATISM

To ease the agony and stop the gnawing pains and twinges, doctors know there is nothing so good as Begg's Mustardine.

HEAT EASES PAIN
and there is more concentrated non-blistering heat in a box of Begg's Mustardine than can be found in any other box of the same size.

Use it for all aches, pains and swellings.

One small yellow boxful of yellow mustardine will do the work of 50 mustard blisters.

And do it quicker.

All druggists. Be sure its Begg's Mustardine, 25 and 65 cents. Always in the yellow box.

The weary and pallid little man entered the drug store.

"Do you know 'Rixie's Reviver'?" he asked.

"Yes," replied the druggist.

"Gimme me six bottles for my wife." "Tried all other remedies without success, eh?" said the druggist conversationally.

"No; she ain't ill at all. But I saw in the advertisement where a woman wrote, after taking six bottles, 'I am a different woman!'"—Baltimore Sun.
