MEDICINAL ROOTS, HERBS,
BARKS AND BERRIES

And other alteratives, bonies and health-giving ingredients that are recommended in the beat medical books, are combined in Hood's Sarsaparilla. It builds up the blood, improves the appetite, invigorates the digestion, tones the stomach and gives nerve strength so as to promote permanent good health. Has merited and held the praise of three generations. You should give it a trial.

As a gentle thorough catharite many recommended Hood's Pills.

Making Plans to Po'son.

Making Plans to Po'son.

Farmers from the west end of the county have agreed to buy a ton and a haif of poison which will be used for exterminating rabbits in that section. The poison will be bought individually and will be used under the direction of Fred Bennion, county agent, and the United Biological Survey. D. L. Jamison of the survey is now instruct. Jamison of the survey is now instruct-ing farmers as to how the poison should be mixed and is securing the should be mixed and is securing the signatures of farmers who pledge themselves to buy the poison.

Treasury Decisions Regarding Insurânce. Umatilla county men who reinstat-

Ance.

Unatilla county men who reinstated their government term insurance by sending in all the premiums for the time in which their insurance was lassed, are asking if any of that money will be refunded owing to the fact that now only two months premiums, the month of lapuation and the month of reinstatement, are required. The Red Cross office in Prodicton says that according to information received, a treasury decision states that if on reinstatement of insurance any insured man has paid an amount greater than that now required, on written annihilation by the insured or a beneficiary, the excess of premiums paid shall be applied towards the payment of future premiums. Another decision of future premiums. Another decision at that when a man relatiates his incursive, and sends in the premium, a written application and statement of good health will not be required.
