KERRIGAN SCORES ANOTHER SUCCESS IN "THE BEST MAN"

"The Best Man" is a typical Kerrigan story with Lois Wilson in the leading feminine role and a well-chosen supporting cast. In this picture produced by Jesse D. Hampton, from the novel by Grace L. H. Lutz and directed by Thomas Heffron, Mr. Kerrigan as Cyril Gordon, an agent for the Secret Service Department at Washington, scores another success. Kerrigan's popularity gained by his clever acting in "The Turn of a Card" and "A Man's Man," will not suffer by the work he does in his latest production "The Best Man." The world of complicated and clever situations present splendid opportunities for Mr. Kerrigan to "open up" and show his ability. This he does in a most pleasing manner as all who see him in "The Best Man" will attest. His superb acting as Cyril Gordon is unsurpassed by any former effort. "The Best Man," will be shown at Arcade Theatre today. It is one of the new H. W. Hodgkinson releases.

ANNE LUTHER REVIVES THE SHIMMIE DANCE

"Notice—Shimmie Dancing Is Prohibited by Law." This sign, or the spirit of the message it conveys, will be found in practically all dancing places in the country, particularly in New York City. In other words, this stirring, if somewhat inelegantly named dance in which the footwork isn't necessary, is barred by the authorities—killed in fact, before some people had a chance to see what it was like. But, "there is hope," as a well-known patent medicine man says. In the third episode of the new Pathe serial release, "The Great Gamble," Anne Luther, who is co-starred with Charles Hutchinson, shows that the shimmie dance is done but not forgotten.

Anne, in the role of Nell, the crook twin sister of Aline Morton the heiress, also played by Anne, is discovered seated in the parlor of a country house. Time is hanging heavy on her hands, and when Billy Moran, in the role of "The Rat," enters, she has an idea. She starts the phonograph with an exceedingly jazz tune, moves back the furniture and shows "The Rat," just how the shimmie dance should be done. "The Rat" is a poor pupil, however, or maybe he likes to watch teacher; anyway, Anne has to do it several times before he gets the step, or rather the shake.

Everyone who has seen this famous dance, as well as everyone who has not, at least will have a chance to view it at its best in "The Great Gamble," which will be shown at the Pastime Theatre today.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone. Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

Thin, Nervous People Need Bitro-Phosphate

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nervous exhaustion. Feed your nerves and all these symptoms due to nerve starvation will disappear. Eminent specialists state that one of the best things for the nerves is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing. By strengthening the nerves, weak, tired people regain energy and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleeper; confidence and cheerfulness replace debility and gloom; dull eyes become bright, and pale, sunken cheeks regain the pink glow of health. CAUTION—Bitro-Phosphate, the use of which is inexpensive, does not work so much so, that many people report marked gains of weight in a few weeks. Those taking it who do not desire to put on flesh, should use extra care in avoiding fat-producing foods.

CATARRH DOES HARM

Whether It Is of the Nose, Throat, or Other Organs, Get Rid of It.

Catarrh of the nose or throat when it becomes chronic weakens the delicate lung tissues, deranges the digestive organs, and may lead to consumption. It impairs the taste, smell and hearing, and affects the voice. It is a constitutional disease and requires a constitutional remedy.

Take Hood's Sarsaparilla, which by purifying the blood removes the cause of the disease and gives permanent relief. This alternative and tonic medicine has proved entirely satisfactory to thousands of families in three generations.

If there is biliousness or constipation, take Hood's Pills,—they are a thorough cathartic, a gentle laxative.

USES COMMON YELLOW MUSTARD FOR CHEST COLDS AND SORE THROAT

Old Fashioned Simple Home Remedy Much Used by Doctors and Nurses for Inflammation, Congestion, Aches, Pains and Swellings.

Mustard, real yellow mustard, the kind you use at home, is being used more than ever to banish distress and misery and free mankind from agony and suffering.

Not very long ago people used to make yellow mustard into a paste, spread it on a cloth and apply it to that part of the body where pain or inflammation was present.

It surely did do the work it was expected to do, but it was messy and bothersome and often blistered the skin.

GIRL BADLY INJURED IN FALL FROM HORSE

(East Oregonian Special.) WESTLAND, Nov. 18.—Vivian Nation was seriously hurt when she fell from a horse which she and Lucille Richards were riding. The horse whirled, throwing the girls. Vivian fell on her head, receiving bad bruises about the face and head. She was rendered unconscious. Dr. Dorn of Echo was called and after two hours of effort the young lady returned to consciousness but was quite ill for a few days.

Mrs. Loren Kennison and Mr. and Mrs. Harry Dunn were visiting at Westland on Saturday.

Little Mary Rodda has been quite ill with enlarged glands of the neck and is under the care of Dr. Datuscot of Hermiston.

Mr. and Mrs. U. G. Shipley had as dinner guests on Sunday, their daughter, Mrs. Rachel Connor, and her children of Stanfield.

Mrs. M. M. Hail will visit her daughter, Mrs. Vera Sweeney of Pasco, this week.

Mrs. Glen Richards made a shopping trip to Pendleton recently.
